Carole Sturtzel and Wild Oats

Our March show featuring **Carole Sturtzel** and her band was a great success with a large lively audience in attendance. The atmosphere was electric as the polished artists immediately drew the dancers to the dancefloor. Young **Nicola Prince** put on a great performance showing that she is developing into a talented Country Music performer. Well done **Nicky!** Walk-up artist **Shane Bundycowboy Hartley** displayed his talent and also pleased the audience with his remarkable performance.

The big surprise of the day was when **Becky Cole** arrived unannounced to surprise **Mum Carole!** After several prompts **Becky** was up on stage to wow the audience with her powerful presentation. A great day was had by all; a special day to be remembered well into the future of Country Music.

Dot's Spot!

Police arrested two teenagers yesterday.

One was drinking battery acid, the other was eating fireworks.

The police charged one and let the other one off!

C'mon Dot...That one's hard to swallow! Ha Ha!
