Ma's Country Kitchen

Vanilla Slice

375g ready-prepared Puff pastry, thawed
Icing sugar for dusting

Tub of Bulla Vanilla cream
1½ cups Milk
1½ cups Bulla thickened cream
60g Butter
2 teaspoons Vanilla extract
2 thirds cup Caster sugar
1 third cup Corn flour
½ cup water
6 egg yolks
½ cup Strawberry jam
1 tbsp Brandy

Method:

Preheat the oven to 180°C. Halve the pastry lengthwise and roll each piece out to a rectangle 2-3 mm (1/8 in) thick. Trim each piece to fit a 20cm x 30cm slice tin. Place the pastry on baking trays lined with non-stick baking paper and sprinkle with caster sugar. Top each piece with another baking tray as a weight and bake for 10 minutes or until puffed and golden. Cool on racks.

To make the filling, place the milk, cream, butter, vanilla and sugar in a saucepan over medium-low heat and cook until hot but not boiling.

Mix the cornflour and water to a smooth paste and whisk into the hot milk mixture. Add the egg yolks and stir, allowing to simmer, for 6 minutes or until the mixture has thickened.

Remove from the heat and allow to cool to room temperature. Place one of the pastry sheets in a 20cm x 30cm slice tin lined with non-stick baking paper.

Spread over the filling and jam and top with the remaining pastry. Refrigerate for 2 hours or until set.

To serve, dust with icing sugar and slice. Makes 8 slices. To be shared.....

Our Alphabet

A is for apple, and B is for boat,
That used to be right, but now it won't float!
Age before beauty is what we once said,
But let's be a bit more realistic instead.

Now Our Alphabet:

A's for arthritis; B's the bad back, C's the chest pains, perhaps car-di-ac?

D is for dental decay and decline, E is for eyesight, can't read that top line! F is for fissures and fluid retention, G is for gas which I'd rather not mention.

H high blood pressure--I'd rather it low; I for incisions with scars you can show. J is for joints, out of socket, won't mend, K is for knees that crack when they bend. L's for libido, what happened to sex? M is for memory, I forget what comes next. N is neuralgia, in nerves way down low; O is for osteo, bones that don't grow!

P for prescriptions, I have quite a few, just give me a pill and I'll be good as new! Q is for queasy, is it fatal or flu? R is for reflux, one meal turns to two.

S is for sleepless nights, counting my fears, T is for Tinnitus; bells in my ears! U is for urinary; troubles with flow; V for vertigo, that's 'dizzy,' you know.

W for worry, now what's going 'round? X is for X ray, and what might be found. Y for another year I'm left here behind, Z is for zest I still have-- in my mind!

I've survived all the symptoms, my body's deployed,
and I'm keeping twenty-six doctors fully employed!

HAVE ANOTHER GREAT COUNTRY LOV'N MONTH!
