Foolish Things and Wisdom

When it comes to developing a successful career in Country Music **Amber Joy Poulton** stands out from the crowd with her whirlwind Ozzie rise to fame.

Amber recently released her latest album **Foolish Things** and it's hitting the country music scene like a thunderstorm.

The album has 13 new songs with one exception, ad that is a cover of **I'll Fly Away**.

In February this year Amber flew to Nashville and recorded her superb songs with Australia producer **Sam Hawksley** who ensured that Amber was working with the best of the best in Nashville.

After the success of her debut album, **Taking Goodbye**; which launched her career and reputation as a serious singer and song-writer; Amber has gone from strength to strength building up a fantastic fan base and gaining popularity throughout Australia and the Music Industry.

Amber has personal qualities sure to take her to the top of the Australian Music Charts. They are talent; confidence; industry knowledge; style; business sense and modesty.

If ever a mentor was required to give our young artists useful guidance, support and advice in the Country Music industry, **Amber** would surely be **first choice**.

Already the recipient of a TIARA Award, two song-writing awards & six of her songs hitting the Top 30 of the **Australian Country Music Charts** Amber is a true natural.

As well as her original material, **Amber Joy** has toured the country with her tribute to the first queen of country in **Honky Tonk Angels - The Story Of Loretta Lynn & Friends**, in which she takes her audience on a journey through the biggest hits from Queens like **Loretta, Tammy, Dolly, Linda Ronstadt, June Carter & more**.

If you ever meet up with Amber, you are sure to be impressed by her pleasant nature and genuine willingness to have a friendly chat.
