Hi Folks

Happy New Year!

Let's hope that 2014 keeps you in good health and the months ahead are full of good times for each and everyone.

Your Committee is all geared up to provide you with another excellent year of Country Music. This is as good a time as any to invite your friends and family to our shows.

New faces are welcome and our membership numbers seem to keep on growing

We continue to attract and support our popular artist and if you know of any good bands and entertainers who haven't yet appeared at our club please do let us know.

Our Committee is selective in providing good quality entertainment for you. Good times, happy days and more of what your Doctor recommends.

You may also be a member of other Country Music Clubs and we love when you come along with friends to our venue to enjoy the day. We are hoping to attract all SA Country Music Clubs to work more closely together in the future, with the intention of expanding what has been a successful annual Gawler Country Music Club Talent Quest.

A combined Country Music Club Bonanza with all clubs involved may be the way to go.

A bigger and better event will potentially raise the profile of Country Music here in South Australia.

On your travels, if you can have a friendly word with other club committees; please do encourage them to build and expand the pleasure of Country Music by joining forces and injecting a much needed combination of enthusiasm and energy throughout the year 2014.

May the joys of Country Music go with you...

The Australian country music superstar will kick off the national run of shows in Townsville on June 14 and finish in Perth on June 29.

Urban has been combining his judging duties with his **Light The Fuse** tour in America.

He is the only judge from last year returning for the 13th season of *Idol* alongside newcomer Harry Connick Jr and Jennifer Lopez who was coaxed to come back and replace Mariah Carey and Nicki Minaj.

Keith Urban is one of the most successful Australian touring artists in the world and dramatically increased his fanbase here with his star turn as a coach on the launch season of *The Voice*.
