President's Report June 2014

G'Day Members & Friends.

Well our June show was another great day. **Murray Mac & True Grit** had the dancefloor busy all day. Murray with his unique voice was well supported by Kevin Bergan and Bernie Scott. Thank's guys, we certainly enjoyed the day.

Our Special Guest Artist **Juliet Oliver** performed extremely well. I hadn't heard Juliet before, but what a great performer she is. Her confidence and stage presentation won the attention of her audience. Keep up the good work Juliet.

Moving onto our July show we have the very popular band **The Sherrahs**. Always great to sit back and listen to this band. One of our favourites. So until then.

Hi to all Club Members

It's that time of year again when electric blankets and thermal underwear are put to good use.

Is it age, the extremely cold weather, or just our imagination?

Have you also noticed how the clocks are moving around faster than ever before, and our grand-children who, only a short while ago, were cycling and skateboarding are now driving around in cars...?

Us oldies are now experiencing a **revolution**. Or should I say... **Revolutions**. With the hands on our clocks revolving faster; food and petrol prices creeping up and up, and the bills appearing in our mail boxes arriving more and more frequently; always at a time when we really could do without them. That's life folks; we can't blame it all on our politicians.

However, do switch on your electric blanket, keep your living-room warm and always have a supply of hot soup and porridge ready to heat you from the inside.

Letter to the Ed

Hello

I would like to say thank you for such a great afternoon at your club. The monte carlo dance took both Doug Smith and myself back to our youth growing up on stations out of Tarcoola and Kingoonya. At the dances at either Tarcoola or Kingoonya they used to have the monte carlo dance but as you all may remember they never used cards; they used to spin a long neck beer bottle. Such fun memory's of our lives growing up at the small town dances to records Thanks for the prize the chocolates and soup bowls, they are lovely. Many thanks once again

Errol's Advice On Growing Older Sunday August 17th

12 til 4.00pm

1. Life isn't fair, but it's still good.
2. When in doubt, just take the next small step.
3. Life is too short – enjoy it.
4. Your job won't take care of you when you are sick. Your friends and family will.
5. Pay off your credit cards every month.
6. You don't have to win every argument. Stay true to yourself.
7. Cry with someone. It's more healing than crying alone.
9. Save for retirement starting with your first paycheck.
10. When it comes to chocolate, resistance is futile.
11. Make peace with your past so it won't screw up the present.
12. It's OK to let your children see you cry.
13. Don't compare your life to others. You have no idea what their journey is all about.
14. If a relationship has to be a secret, you shouldn't be in it.
15. Everything can change in the blink of an eye
16. Take a deep breath. It calms the mind.
17. Get rid of anything that isn't useful. Clutter weighs you down in many ways.
18. Whatever doesn't kill you really does make you stronger.
19. It's never too late to be happy. But it's all up to you and no one else.
20. When it comes to going after what you love in life, don't take no for an answer.
21. Burn the candles, use the nice sheets, wear the fancy lingerie. Don't save it for a special occasion. Today is special.
22. Over prepare, then go with the flow.
24. The most important sex organ is the brain.
25. No one is in charge of your happiness but you.
28. Forgive
29. What other people think of you is none of your business.
30. Time heals almost everything. Give time time.
31. However good or bad a situation is, it will change.
32. Don't take yourself so seriously. No one else does.
33. Believe in miracles.
35. Don't audit life. Show up and make the most of it now.
36. Growing old beats the alternative of dying young.
37. Your children get only one childhood.
38. All that truly matters in the end is that you loved.
39. Get outside every day. Miracles are waiting everywhere.
40. If we all threw our problems in a pile and saw everyone else's, we'd grab ours back.
41. Envy is a waste of time. Accept what you already have, not what you need
43. No matter how you feel, get up, dress up and show up.
44. Yield.
45. Life isn't tied with a bow, but it's still a gift.
