Hi to all Club Members

It's great to report that our club membership is again on the increase with annual renewals and many new faces joining us. Welcome aboard New Club Members! If you would like to introduce yourself via our newsletter please contact us...

**By Mail: Gawler Country Music Club Inc.
P O Box 285 Elizabeth SA 5112**

Or by e-mail: kwcountry@optusnet.com.au

Tell us about your experiences; send in a story and a pic. Make yourselves known. Our club would love to hear from you.

At our recent show I was pleasantly overwhelmed by the congratulatory remarks and support for our GCMC newsletter. I sincerely thank you for your understanding on a number of sensitive newsletter issues.

Now! If you wish to encourage and support young Country Artists please spread the word around that **Gawler Country Music Club** is providing **opportunity for all young artists!**

Appearing on stage; being paid; and developing a fan base is all available simply by contacting **Keith** on... **(08) 8255 8920.**

We know that many of our readers are actively involved in playing and promoting Country Music. It would be constructive and helpful to the Country Music industry if you too encourage young artists to contact us. (And other Country Music Clubs.)

Gaining experience on stage is important in building confidence and skills. Also... Let's **put an end** to the subject matter of 'Country Music is for the elderly'. This is false and misleading. **Whatever the genre; Whatever the characteristics... Music is for everyone!**

20 years ago the song 'Thank God for the Radio' covered by **Alan Jackson** is nowadays so appropriate. Radio provides opportunity for **Country Artists** to promote their latest releases and build their career. **Age is no barrier in music.** From childhood into old age **Country Music is for everyone.** We have all heard the moans and groans of 'We are never asked to play at the....venue!' Pick up the phone and ASK!

Thanks again to those who contribute to our newsletter and those who take the time to put it all together.

President's Report February 2014

G'Day Members & Friends,

Here we are almost half way through the year already. It feels like we have just got over Christmas.

Well our May show was another great day with the **City Cowboys**. They play the right sort of music, because the dance floor was full all day. We also had our talent-quest entrant **Ella Radbone** performed very well considering she had the flu. I must thank **Nicola Prince** for coming along to help her good friend get through her session. Thanks **Ella & Nicola** you made our show a great day.

Moving onto our **June** show, we have **Murray Mac & True Grit** with **Juliet Oliver** as our Guest Artist. Another good show on its way.

We have tickets available for the **Nashville Comes to Gawler Show**. This will be an event to remember.

Until our next show
