Newsletter of the Gawler Country Music Club Inc March 2014 No: 250

# Nicola Prince

For many years **Gawler Country Music Club** has attempted to provide support and encouragement to young and developing South Australian Country Music Artists.

Now in our endeavour to create greater awareness of the fact that there are many promising new artists in the fringes of mainstream Country Music, we are offering new artists the opportunity to make the world aware of their presence.

We begin our quest to assist young artists into the realms of **Country Music Stardom** by first introducing a young lady named **Nicola Prince**.

**Nicola** is a 13 year old country music student being inspired and coached by **Tamwel Arts**.

Nicola ("Nicky") started playing guitar in 2009 and began singing in 2011. Since then we have seen and heard **Nicky** performing at various county music events and appearing at SA talent quests.

When she first appeared on stage in front of an audience Nicky was, as expected; nervous, inexperienced and unconfident. However, over the two years since she first began singing, Nicky has come on leaps and bounds.

For young artists in particular, it is an important element of personal development to receive relevant support and encouragement. For this reason we ask all clubs, club members, events organisers and Country fans to unite and to provide Nicky and other budding artists the essential platform and resources to help develop their skills and talent; and to brighten the outlook for Country Music here in South Australia.

Nicky has been influenced by non other than **Dolly Parton...** and, with your support and assistance; she hopes to achieve her goal to be **as good as she can be**. It is important for our young artists, families and Country Music clubs to take the initiative in securing the future of Country Music; if not, it will just...fade away.....

Nicky's Awards to date include-

**Gawler Country Music Club** 2nd place under 13's  
**Port Pirie Music Festival** 3rd place under 16s Gospel  
**2013CMSA Champion of Champions** 3rd in the state for the 13 and under.

**Gawler Country Music Club** will do all that is possible to provide **opportunity** in Country Music.

In addition to our current club's activities at **Munno Para Bowling Club**, the **Gawler Country Music Club Music Workshop** and **Phill's Open Mike**; both held in **Gawler**, provide the ideal opportunity for personal development in vocals and playing musical instruments. Everyone is welcome and invited along. We encourage young artists and artists of all ages to attend, and to enjoy the experience of meeting with, and / or performing with like minded people.

**Future editions of our Country Music Newsletter will be featuring more of our young South Australian artists.** Providing encouragement and publicity is our mission, promoting the next generation of **Country Stars**. If you wish to begin this journey by climbing the ladder to success in country music, give our **Club President Keith Warren** a call on **08 8255 8920.**

We welcome you aboard. Don't be shy...This is your opportunity...

**Pick up your phone and ring ring...! See you at our next show Nicky!**

P.S An article received late for publication featuring Nicky and Tammy will appear in your next GCMC newsletter.
