# Ma's Country Kitchen

## Apricot and Custard Danish

- 3 sheets frozen ready-rolled puff pastry, partially thawed
- 400g can apricot halves, drained well
- 1 egg, lightly beaten
- 1/3 cup flaked almonds
- Pure cream, to serve

## Vanilla custard

- 3 egg yolks
- 1/2 cup caster sugar
- 2 teaspoons vanilla extract
- 1/4 cup cornflour
- 2 cups milk

## Method

### Make custard:

Whisk yolks, sugar and vanilla in a bowl.

Stir in cornflour. Slowly add milk, 1/4 cup at a time, stirring constantly.

Pour mixture into a saucepan over medium heat. Cook, whisking constantly, for 5 to 7 minutes or until mixture boils and thickens. Boil for 1 minute. Pour into a heatproof bowl.

Cover surface with plastic wrap. Cool.

**Meanwhile**, preheat oven to 200°C/180°C fan-forced.

Using 2 sheets of pastry, line base and sides of a 2.5cm-deep, 11.5cm x 34cm (base) loose-based tart pan. Trim excess pastry.

Place pan on a baking tray. Line pastry case with baking paper. Fill with ceramic pie weights or uncooked rice. Bake for 10 to 12 minutes or until edges are light golden. Remove weights or rice and paper. Bake for 5 minutes or until base is light golden. Set aside to cool.

Arrange apricots in pastry case.

Top with custard and remaining pastry, trimming pastry to fit. Brush top with egg. Sprinkle with almonds.

Wrap pan in plastic wrap, then foil. Freeze overnight or until needed (you can freeze Danish for up to 1 month).

Preheat oven to 190°C/170°C fan-forced.

Unwrap pan. Discard plastic wrap and foil.

Place pan on a baking tray. Bake for 45 to 50 minutes or until heated through and golden.

Stand in pan for 10 minutes.

Serve with cream.

# Maths for Success:

This mathematical theory may be of interest to our newsletter readers

## What Makes 100%?

What does it mean to give MORE than 100%?

Ever wonder about those people who say they are giving more than 100%?

We have all been to those meetings where someone wants you to give over 100%.

How about achieving 103%?

What makes up 100% in life?

Here's a little mathematical formula that might help you answer these questions:

If:

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

is represented as:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26.

Then:

H-A-R-D-W-O-R-K

8+1+18+4+23+15+18+11 = 98%

and

K-N-O-W-L-E-D-G-E

11+14+15+23+12+5+4+7+5 = 96%

But ,

A-T-T-I-T-U-D-E

1+20+20+9+20+21+4+5 = 100%

And,

B-U-L-L-S-H-I-T

2+21+12+12+19+8+9+20 = 103%

AND, look how far ass kissing will take you.

A-S-S-K-I-S-S-I-N-G

1+19+19+11+9+19+19+9+14+7 = 118%

Now you know why some people are where they are....
