An update from Taylor

I appeared on "Our Time" TV Show on **Channel 44** a show which is broadcasted throughout Australia. I was interviewed by **Malcolm Harslett** former presenter of **Humphrey B. Bear**. At the end of the show I perform "Policeman Yodel", from my new EP "You Were The Stranger".

Straight after I was in the studio of **Adelaide's ABC891 Radio** and talking with evening presenter **Peter Goers**.

I'm also appearing as a guest for the **ABC1 TV** show.... **SPICKS AND SPECKS** quiz show.

I played in the segment "Look What They've Done To My Song Ma".

I had to disguise 5 songs, by playing the banjo and yodelling and the teams listen to my versions and buzz in when they recognize the song.

Well done Taylor, thanks for the update!

I'm another Spick and Specks fan.

Enjoyed your performance and wonderful smile!

Keep up the good work.
