Hi Club Members and Friends

Isn't it great to feel the warmth of springtime?

Our family's recent bulk purchase of heating oil arrived the day after the cold spell. We had two weeks of shivery evenings, and now we're preparing for the forthcoming hot spell and Slip Slap Slop!

Oh! Just to remind everyone!

Our postal address is now

Gawler Country Music Club Inc
P.O. Box 285
Elizabeth SA 5112

Unfortunately any mail recently sent to our old Gawler PO box number will remain undelivered.

Feedback from this year's **Champ of Champs** suggests the number of contestants and people attending the showcase was down on the numbers wished for.

Again there is controversy over the results, but I guess that's the norm for Country Music Talent Quests.

My personal view on Country Music Talent Quests is that they are to some degree counter-productive. I'd rather see new country talent encouraged by our clubs providing opportunity via paid gigs and genuine support. Competition and failure to make the first 3 in Talent Quests can be disheartening, especially for our younger artists.

From now on, **I will personally not be supporting any 'Talent Quest'** as currently organized by our club. I will however fully support artists who wish to develop their skills and confidence; and remain motivated enough to achieve their long term goals.

Let's give **ALL** young country artists opportunity, encouragement and reward for effort.

To all young artists out there, I've said it before... Give us a call to arrange a gig. It's your choice; it's your future.

President's Report

September 2014

G'Day Members & Friends.

Well our second show at our new venue was another success. Our band for September was **Key Country**, with **Kieran Kee** as our guest artist. Key Country has not been at our club for a while; we last had them around 1999. Well we were pleased to hear them again playing some great country music. We also had Kieran put his mark on the day. Well done guys we enjoyed the entertainment. We also had the **CanTeen Shave Off**. We had 4 people do it and contributed to raise funds for CanTeen. Thanks guys; your efforts will help a child with cancer.

Moving on to our October show. We will have Mike Festa's Country Classics with our Guest Artist **Jamie Slape**. Jamie is a young guy who has competed in our Talent Quest and has attended our Music Workshop.

Looking forward to our October Show.

Until then.

said to his eighty-year old buddy:

'So I hear you're getting married?'
'Yep!'

'Do I know her?'
'Nope!'

'This woman... Is she good looking?'
'Not really.'

'Is she a good cook?'
'Naw, she can't cook too well.'

'Does she have lots of money?'
'Nope! Poor as a church mouse.'

'Well, then, is she good in bed?'
'I don't know.'

'Why in the world do you want to marry her then?'

'Because she can still drive!'

CM Event Date Clash

It has been brought to the attention of our club that **Country Music SA** is yet again involved in organising events which clash with the **Country Music Clubs** they claim to represent. They profess to work in harmony with others thus avoiding such date clashes.

It appears the **Country Music SA** committee of twelve failed to take into account that their forthcoming Burra event in November clashes with our **Gawler Country Music Club's** regular monthly show.

Having brought this to the attention of **CMSA**; their response was 'Sorry we didn't realize, but we had to pick a date.' Perhaps their **Sunday** program will be appropriately modified to avoid a clash...

We trust our **Gawler Country Music Club** Members and Friends will support our Club by providing another fantastic full house dancing to **Heartland** and **Gary Daniel** in the comfort and country friendship of 'The Grenville'. See you there!
