## December President's Report

G'Day Members & Friends ,

What a great day we had for our Christmas Show with Midnight Special. Warren Johncock was still doing his trivia questions during the breaks. Well done Guys. We had Kevin Merrit do a walk up with 3 songs, thanks Kevin it's was great. We have had someone put their hand up to help out with our Newsletter, Chris Scotland has had a look at what I have done over the past year or so. Chris has a lot more skills than me and will be able to do thing that I can't. Chris will start with the February/March issue. A big thank to Chris for your Help. I have been work towards getting other Artist who come through our state to use our hall on our weekend to give us more opportunity to utilize our hall. We will be doing a double header in May with the Juke Box Boys, starting with a cabaret on the Saturday night followed by our club show on the Sunday with Tiffney Reynolds as our guest artist. A big thank you to all the people who helped with packing up of the chairs and tables at the end of our show. We are still getting some complaints from some of our members missing out on what they would like to have for lunch. Our caterers do a dam god job in catering for us. So if you don't want to miss out get in the line up early enough to get what you want. Well onto the start of the New Year, Our January show will be Palomino Deluxe, a great band to start the year off with, So why not come along and join us. So until then. Keep it Country Regards to All Keith Warren President / Entertainment Officer

## Of Marsians By Max Crispin

I saw another Marsian today, that makes five this week; Actually they may be Jupertains or Venusians or something else Extra Teirestial, all I know is they are not us, even though they dress like us, looks like us ,but they must be from outer space because their manners are heavenly; I have no idea how they got here, but I presume they haven't been her long, because they haven't learnt how to act like us, well not entirely. The last one I saw for example was dressed like a waitress in a small restuarant; she brought me my lunch, and i knew immediately she was an outsider, when she pushed back the tip I offered her, and pointed to a sign on the wall that read,no tipping allowed. Then poured me another cup of coffee and said, Its on the house.I saw anotherone in a department store discuised as a little old lady,I had waited some time to be served, trying to catch the eye of a sales person; Then one appeared and I thought at last I get served; But he pushed past me and asked her what she required, where upon she said " this gentleman was here before me, I'm in no hurry", definitley out of this world. Then there was the Taxi Driver who didn't go into the usual grumble about having no change when tendered \$50 note for my \$5.90 fare, and even gave me a hearty thank you when I proffered him a 50cent tip. The new bloke on our garbage truck Aruak must be one too; He emptied the bin , puts the lid on and puts the bin back where he got it from, right way up without the usual bin slamming which is normal for most garbos.I think another one is masquerading as our news-paper man, the other one could be counted on to miss our front lawn altogether, land it in the tree on the footpath, or when it rained to hit the largest puddle; The new one actually has been landing the paper on our concrete driveway, so it doesn't get too wet, he even laned it on our front porch, right against the door. See what I mean, they look like us, dress like us, but they haven't learnt to act like us. I have no idea when or how they plan to take over in large numbers; But won't it be a great day when they do.

## January President's Report

G'Day Members & Friends ,

I will start by wishing you all a very happy New Year for 2018. Well we started off this year with a great band in Palonino Deluxe. With great numbers through the door and great music we started off the year very well. I also want to thank a couple of people for helping us on the day Kevin Perry is our regular bloke behind the bar, always great for a chat, and Roz Lang for helping out selling the lucky squares, thanks Roz & Kevin. The renovations the outside of the hall on are nearing completion, and our hall is looking Great. A new car park extension may be next on the works programme. Moving onto our February show we will be having Working Overtime. This band we have had only once before when we were at the Grenville Hub. This time we have a bigger venue for them to play in. So until then. Keep It Country.      Regards Keith Warren    President / Entertainment Officer
