After the November show, Roger and I stayed back to help the committee pack up chairs, wipe down and fold tables.

If you are unwilling to go onto the committee, please think about helping out after the show.

The committee need your help to stack chairs and wipe and fold tables, the carpet also has to be vacuumed. It would take about half an hour of your time to help out.

Our club has 190 members, but a dedicated committee of only 5.

They need help after shows, so please think about LENDING
