August President's Report

G'Day Members & Friends,

Our AGM was held prior to our club show and we have one new member on our committee, Heather Smith (Rikki) -welcome Heather. Other than that, we have the same committee , in the same positions. I wish to thank all of our volunteers who help us out on Club Show Days. Roz Lang , Roz Edmonds , Bernie James , and our Barman, Kevin Perry. Thank you for your help. Well, moving on to our week end . We had Amber Joy Poulton on Friday night and what a fantastic show she put on, with her backing band, The Holly Men. If you did not come along, you missed one of the best shows in a long while. Then Fred had his open mike on Saturday and had good attendance . Then our club show on Sunday .What a day we had, great number through the door. Our band for the day was Eddie & friends. What a great band. The dance floor was packed all day. We also had a guest artist, Juliet Oliver and WOW, hasn't this young one come a long way. Well done guys, we all enjoyed it. We have had an email from the Playford Council in regards to parking in the street. They would appreciate if we could park on only one side of Forrestall Road. This I think is extremely hard , as we have been getting great attendances at our club show. I will be meeting with the Council before our September show. I will keep you informed. So until then, Keep it Country.

Regards to all Keith Warren , President

September President's Report

Hello Members & Friends,

I will start this month's report off with the meeting I had with the Playford Council regarding the car parking. It is still on their agenda to extend the eastern carpark at the Uley Road Hall. They had a complaint from the units opposite the hall resulting in them asking us to try not to park on both sides of the road . I am led to believe that the complainer does not live there, but her son does. Well it's not rocket science, if you have a parking problem at your biggest hall in the area, why not make the car park bigger? I will keep you informed of its progress. Well onto our show, we had the DV8's. They were not too bad,. They started playing country music, but steered off it a bit and then got back on track and finished the day off well. The dance floor was busy and that's what we wanted. Well done guys. Onto our October show . We will have the Road Runners. I am starting to set next years program together and have discovered that our April show falls on Easter Sunday. I put out a questionnaire for everyone to have a say in what to do. The results were that we still hold it on Easter Sunday. So I will go ahead and book bands for the first three months. So until next month....

Regards to all. Keep It Country.
