Hot A.F.L. News

It is likely that the AFL matches for 2006 will have to be cancelled. Under the new Anti Terrorism Laws, the Bombers are banned. The new Industrial Relations Legislation rules out the Dockers and the Asian Bird Flu Epidemic is wreaking havoc with the Crows, Eagles, Hawks, Magpies and Swans. Any transfers to the Kangaroos, Cats, Lions, Dogs and Tigers must now be quarantined for at least 12 months. Religious Vilification Laws means that no-one can legally barrack for the Demons or the Saints. This only leaves The Power and the Blues. But who barracks for them anyways ???

Some Mothers Do Have 'em!

A very self centred uni student at a recent AFL game, took it upon himself to explain to a senior citizen sitting next to him why it was impossible for the **older generation** to understand his own.

"You grew up in a different, actually almost primitive world!" The student said loud enough for the whole crowd to hear. "We young people grew up with television, jet planes, space travel, man walking on the moon, our space ships have visited Mars. We even have nuclear energy, electric and hydrogen cars, computers with lightning speed processing and uh....."

Taking advantage of a pause for breath in the student's litany, the wise old senior citizen said, "You are right son, we didn't have those things when we were young..... So we invented them.... you arrogant little twit. Now.... What are you doing for the next generation?????"

Decent Exposure

Ok we've experienced Betty the Flasher, we've heard all about Dot and her 'musical preferences' and now...we have Pam singing about Running Bare...

What is happening at Gawler Country Music Club these days?

Club member **Pam** must be one of the most energetic club members in the history of **Gawler CMC**.

Newly in and 'quick as a flash' she is jiving, and shouting **Ooh Ah! Ooh ah!..** Who knows what she'll be up to next?

If Pam's rendition of **Running Bear** is a sign of things to come at Gawler CMC, our membership may become a bit too erotic!...I mean erratic...!

Just a Thought
From Bill Northcott!

'It's better to help others get on rather than tell them where to get off.'

'Ahem! Not nit-picking ... but page 10 in last months newsletter indicates that Slim Dusty had released 103 albums when the correct answer is 108.'
