Editors Note

Hi Folks

I believe strongly in giving young people a fair go. If you are like minded and keen to support new up-and-coming artists to kick-start their musical career; do come along on **Sunday the 16th April** to support the **Winners of the 2006 Tamworth Junior Duet 17 years & Under.**

Sugar & Spice

I look forward to providing them with my support and encouragement.

I am also keen to hear **Limestone Country.** I'm told they put on a great show.

There are so many new records, CD's and DVD's in music stores these days.

Do you remember as a teenager carrying your small hand held **transistor radio** up to your ear and thinking you were **'Real Cool'**?

I must admit I now listen to my newly acquired **MP3 player.** Wearing ear phones... clicking my fingers and shaking my head... People now think I'm an **'Old Fool'**.

These days music is used to reduce tension; break down the barriers of age difference and to help bring people from different cultures together in peace and harmony...

Crikey.... I think **'I Hear The Sound Of Distant Drums'** ... **'We Got To Get Out Of This Place'** ... **'Geronimo'....'**

President's Report

March 2006

G'day Members and Friends

Well what can I say?

Another show has come and gone with **Heartland** playing great music. Their new singer **Diana** has been with them for only a few weeks.

Tiffany Stroh was our guest artist for March and what a great performer she is. At only 15 years of age she has so much talent, she is sure to make waves at the top.

'We wish you well with your growing list of diary dates Tiffany.'

Our walk up artists were in fine form with **Robert James** leading the way. **Ian List** performed some great songs and **Roger** as usual gave us his all. Pity the mic wasn't turned up a bit louder.

Gary and Steve got up to do something a little different, and **Pam Griffin** joined the band with her version of **Running Bear.** Great job Pam.

We have had some complaints about the **same people** at each show using the walk up spots. The committee has agreed to give everyone the same opportunity to perform. To become part of our show, all walk up artists must register with me **no later than 12.45pm** with a max of 3 songs. We wish everyone a fair go and we encourage all of you talented people to participate.

Well onto our April show. **Limestone Country** has a great following and we welcome them to our club. Our guest artists are **Sugar & Spice** who do a great job

We hope to see you there. So until our next show. Keep It Country.
