

That Woz The Day That Woz!

Heartland

Heartland played a good choice of music and had the dance hall full for most of the show. Their new singer Diana clearly has the qualities of a good front line artist. A prominent member of the band is **Kevin Bergen** on Pedal Steel Guitar. He certainly hit the right notes. The Line Dancers loved Slim's 'Lights on the Hill' and Johnny Cash's 'Folsom Prison Blues'.

Tiffney Stroh

In our March show **Tiffney** performed at a level well beyond her years. She is only 15 years of age!

Why not give us some feedback on what **you** think of Tiffney. When you come to the next show, drop us a note in the **Suggestion Box** at reception

It would be a good gesture for **Gawler Country Music Club** to provide some positive encouragement to all of our young artists.

Prior to performing **Tiffney** tucked into her chicken chips and gravy, as her mother explained how Tiffney had rehearsed more than 70 songs for her appearances on the **Proud Mary**.

The good news is that **Terrific Tiffney** will be appearing again at **Gawler CMC venue in Munno Para on Sunday May 21st**.

Lorraine and Errol

Like a **'Bat Out of Hell'** this dynamic duo arrived with their entourage to create a whirlwind. However, they fizzled out after only one dance.

Club member **Errol** is getting a bit too old for this kind of stuff....

Errol plays lead guitar for a new band about to hit the local music scene.... I think they are named....

'Us Blokes!'

Words for Fun

Club member **Bill Armstrong** has gained a reputation not just as a country Music Fan, a Builder, an Events Organizer and a really nice bloke; he also has a reputation as a poet.

You may have noticed bill scribbling away on his notepad...not blinking an eyelid while seated next to flasher Betty.

Bill whipped up this poem in a few mins...

Country music playing
dancers on the floor
A great way to pass the time
Crikey, that's for sure

Gawler Country Music Club,
a wonderful place to meet
So come along, sing and dance,
clap your hands 'n' stamp your feet

Listen to the music
Go up and sing for us
No bother no trouble
No dramas no fuss

We really are a jovial bunch
So come along and join us,
If you wish, bring your lunch
But the food here is tremendous

Our artists come from near and far
North South East and West
At Gawler Country Music Club
we always hire the best

Each September we pay a tribute
One that's rather crusty
A tribute to a legend
The man himself.. Slim Dusty

Our club continues to grow
Another remarkable year
Country music is on the rise
Of that there is no fear

Jokes from Maryke

Club member **Maryke of Angaston** can tell a joke or two... Read on...

A local Gawler guy bought a new fridge for his house.

To get rid of his old fridge, he put it in his front yard and hung a sign on it saying: "Free to good home. You want it, you take it".

For three days the fridge sat there without even one person looking twice at it.

He eventually decided that people were too un-trusting of this deal.

It looked to good to be true, so he changed the sign to read:

"Fridge for sale \$50"

The next day someone stole it.

I used to work in technical support for a 24/7 call centre.

One day I got a call from a Gawler Irishman who asked what hours the call centre was open.

I told him, "The number you dialled is open 24 hours a day, 7 days a week."

He responded, "Is that Eastern or Western time?"

My Adelaide University Graduate sister has a lifesaving tool in her car It's designed to cut through a seat belt if she gets trapped.

She keeps it in the boot.
She is not Irish.....
