

That Woz the Day That Woz!

The Rustlers played their warm up sound check 'Broken Pieces' half an hour before their official start time. **Wow! Was that good or wot!**

This 4 piece band has a full sound with strong **Lead, Bass and Drums**. Vocals and harmonies were spot on.

Their Fiddle player has apparently moved on but credit must go to these guys for their standard of professionalism.

After their first set the band provided a rock 'n' roll set which mellowed and attracted dancers onto an already full dance floor.

Vocal harmonies in the gospel song 'I Saw the Light' tremendous.

Their performance included tribute songs including one in honour of **Rocky Page**. Their final set ended on a happy song... 'You Are My Sunshine'.

Thanks guys for ending on a happy note.... And thanks also for the rain that followed your sunshine song.
