Editors Note

Hi Folks

It's been cold lately hasn't it! But one thing is for sure... **Gawler Country Music Club** is **hotting up** with 'sell out audiences'.

Great bands, great visitors, great members, a tremendous atmosphere and a **'whole lotta hootin' goin' on!'**

People are still flocking in to join up.

Your club's membership is now at record levels. But hey! That means we've got higher standards to live up to.

Don't forget, your **AGM on Sunday 20th Aug. 11am at Munno Para Bowling Club**. Your input is important to keep the club standards at a level worthy of the reputation it is currently developing.

Come along to the meeting. See you there.....

I wish to take advantage of my position as **Newsletter Editor of Gawler Country Music Club** for just once to promote an important event at the end of this month.

The Watch It! Women's & Children's Foundation Fundraiser is an all day and night event with a mix of **Country and Sixties Music**. It takes place at **Munno Para Bowling Club** on **Saturday 26th Aug.**

Tickets for the Evening Dinner Dance are now available at the **Clubs bar**.

Please give your support... and **W&CH It! With 'Us Blokes', Tiffney, Tracey, Nathaniel and a full cast.**

President's Report

July 2006

G'Day Members and Friends

What a great weekend of country music.

At the cabaret on Saturday night we had a great crowd who clearly enjoyed themselves as **Graeme and Ironbark** mixed the music to suit everyone on the night.

Then on **Sunday** the committee were blown away with a great crowd... the largest ever for a club show day... well over two hundred people.

We also had great guests and walk-up artists. **Tiffney Stroh** joined **Graeme** and the band. What a talented young lady she is. Great job Tiff.

Our walk up artists were **Doug Hayman, Pam Griffin** who always does a great job; we also had young **Nathaniel O'Brien**, what a talented young man he is. Keep up the good work Nathaniel. Our last guest was **Tracey Rains**. It was the first time I had heard her sing. **WOW what a great voice she has...** we will be seeing a lot more of these artists in the future.

Both **Nathaniel and Tracey** are competitors in this year's **Champion of Champions**. Hope you both do well.

A big thank you to Graeme and Ironbark everyone enjoyed the show, a brilliant weekend.

Well onto our **August** show, **Honi Phillips and Court House Connection**, another good show. **Don't forget the AGM** will take place at **11am before the show** starts.

So come along and be a part of the show and the AGM

Keep It Country.

'Aids Spread!'

It has recently been discovered that Senior citizens are the greatest carriers of aids!

Hearing Aids, Band Aids, Walking Aids, Medical Aids, Visual Aids and Government Aids.

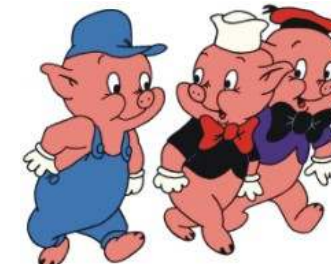

What did you say? Hear no evil...
Where are my specs? See no evil...
Can't find my dentures! Speak no evil.

Weight No Problem

We all get heavier as we get older because there's a lot of information in our heads.

So I'm not fat... I'm just really intelligent and my head couldn't hold anymore so it started filling up the rest of me.
That's my story and I'm sticking to it!

Three Pigs

You can't be serious!

There were three pigs.
The first pig went to a bar ordered a drink and gulped it down and went to the bathroom and then left.

The second pig went to the same bar ordered a drink and gulped it down and went to the bathroom and then left.

The third pig went to the same bar ordered a drink and gulped it down and was just going to leave, and the bartender asked if he was going to the bathroom, and the third little pig said "No I'm the little pig that goes weee weee weee all the way home"
