

## That Woz The Day That Woz!

### Graham Hugo and Ironbark with Tiffney Stroh, Tracey Rains and Nathaniel O'Brien.

#### What a great weekend's entertainment at Gawler Country Music Club's Saturday and Sunday Shows.

The tremendous entertainment had committee members scrambling to find extra seats as the event progressed to **'Standing Room Only'**.

Graham Hugo and Ironbark provided a **'Blast from the past'** with a few golden oldies to begin the show and dancers immediately glided onto the dance floor.

The balanced sound system and the lighting system created an atmosphere to be enjoyed by all. The professionalism of the artists was something special.

New faces were present in the band since last year's appearance with new fiddle and bass players, and of course the resident drummer of Gawler Country Music Club appeared yet again. (I wonder if he is playing here next month?... **(I bet you a dollar he is!)**)

**Help me make it through the night,  
It's Good to be Back Home  
'Seven Spanish Angels'**

Great show....Well done.

**Ok I am a little biased here, but I must say that Tiffney Stroh, Tracey Rains and Nathaniel O'Brien are all exceptionally talented people. They all have a great future ahead of them. Watch Out! You'll be seeing more of them again soon.**

## THE FOUR WORKERS

This is the story about four people:  
Everybody, Somebody, Anybody and Nobody.

There was an important job to be done, and  
Everybody was asked to do it.

Everybody was sure Somebody would do it.  
Anybody could have done it, but it didn't get done.

Somebody got angry about that, because it was  
Everybody's job.

Everybody thought Anybody could do it, but  
Nobody realised that Everybody wouldn't do it.

It ended up that Everybody blamed Somebody,  
when actually Nobody asked Anybody.

### Oh Oh! The USED CAR Story

It was a small town just outside **Gawler** and the patrolman was making his evening rounds. As he was checking a used car lot, he came upon two little old ladies sitting in a used car.

He stopped and asked them why they were sitting there in the car. Were they trying to steal it?

**"Heavens no, we bought it."**  
"Then why don't you drive it away."  
**"We can't drive."**  
"Then why did you buy it?"

"We were told that if we bought a used car here we'd get screwed .. so we're just waiting.

## Prison Break

Alan Caswell

From the inside looking out....For Allan Caswell this could provide a new perspective on his songwriting.

It's amusing to find that the second track on **Allan Caswell's** new album is called **Comeback Of The Year**, because that's exactly how 2006 is shaping up for the much awarded singer/songwriter

Allan's latest album **'Al's Bar & Grill'** was launched at **Tamworth Country Music festival**, and it's receiving huge wraps on the "countryness" of the album.

Allan has been an important part of the **Country Music Scene for over 25 years**. Since winning his first **Golden Guitar** in 1980, Allan has won 4 more; been nominated 27 times and has either produced or written tracks which have helped several other artists to win **Golden Guitars**.

Although best known for writing the hugely successful theme from the TV series **"Prisoner"**, Allan has had over **400 recordings** of his songs released worldwide.

This makes him one of Australia's most recorded songwriters.

We hope that 2006 is another successful year for you Allan.
