

'Keep it Country' Toilet Systems

If you've seen the Aussie movie 'Kenny' about the 'Knight in Shining Overalls' you may appreciate this story.

Ma lives on a farm just a few K's north of **Gawler**.

Pa recently found that the hole under the outhouse toilet is full; so he goes into the house and tells **Ma** that he doesn't know what to do to empty the hole.

Ma says, 'Why don't you go ask the **young'n** down the road? He must be smart 'cause he's an **Adelaide University graduate**.'

So **Pa** drives down to the neighbour's house and asks him,

'**Mr. Bachelor Professor Sir**... my outhouse toilet is full, and I don't know what to do to empty it.'

The **young'n** tells him, 'Get yourself two sticks of dynamite, one with a short fuse and one with a long fuse. Put them both under the outhouse and light them both at the same time.'

The first one will go off and shoot the outhouse in the air. While it's in the air the second one will then go off and spread the poop all across your farm, fertilizing the land.

The outhouse should then come back down to the same spot atop the now-empty hole.'

Pa thanks his neighbour, then drives to the **Gawler Hardware Store** and picks up two sticks of dynamite, one with a short fuse and one with a long fuse.

He goes home and puts them under the outhouse. He then lights them and runs behind a tree.

Totally unexpectedly, **Ma** came running out of the house and straight into the outhouse! **Oh No!.....Oh Yes!**

BOOM! Off goes the first stick of dynamite.... shooting the outhouse into the air.

BOOM! Off goes the second stick of dynamite, spreading poop all over the farm.

WHAM! The outhouse comes crashing back down atop the toilet.... **Pa** races to the outhouse, throws open the door and shouts, '**Ma, are you alright?**'

As she pulls up her unmentionables **Ma** says...

'Yeah, but I'm sure glad I didn't fart in the kitchen.'

GCMC Member Errol denies all knowledge of this crap joke.

Boom Boom!

Spirit of the Bush

Lee Kernaghan's 'Spirit of the Bush' has topped the **Country Music Charts**.

It is a testament to **Lee's** passion and dedication to the **Australian Bush**. All recording and publishing profits from the song will go to **drought relief** organisation, '**Aussie Helpers**'.
