Our Own Stories By 'The Three Goodies'

You may remember before television became available how it was an absolute pleasure to go to the Saturday Matinee at the local cinema.

You may also remember that feeling of bursting with laughter at the silly antics of **The Three Stooges, Larry, Moe and Curly.**

Well here at **Gawler Country Music Club** we have the pleasure of another trio, just as interesting, and maybe not quite so crazy. Yes only maybe.....

Irish Nash, Caroline McIntyre and Margaret Rainey almost grabbed me by the scruff of the neck to sit me down at their table so they could be interviewed. I thought it was my lucky day.

Iris told me she is **Slim Dusty's N°1 Fan** and she has a long term interest in country music going back to and including **Reg Lindsay, Hank Williams, Adam Harvey and Graeme Hugo.**

Iris said she has never missed a show at our club over the past year. She also remarked that she appreciates the work that **Keith** has put into making the club successful.

Iris was born in **Cleve on the Eyre Peninsula** and moved to **Naracoorte** at 10 years of age. In 1977 she moved to **Elizabeth.**

Her sister **Caroline** is also a fan of **Slim Dusty**, and is fond of **Johnny Cash, Hank Williams, Jim Reeves, Adam Harvey and Graeme Hugo.**

Caroline told me one of her most exciting experiences was when, at the age of 20, she went to visit her sister in Greece. She had planned on a 3 month visit and ended up staying for 2 years. She really enjoyed the Greek village life.

Caroline revealed that her family heritage shows that she is related to **William the Conqueror via the surname 'Flavel'**, and with other members of the family has written a book about the family history. Caroline did all the typing, not on a computer but on a typewriter.

Margaret Rainey although not related to **William the Conqueror** shares the same interests (as Iris and Caroline) and certainly has some fascinating tales to tell.

Margaret explained that she loves all music and she 'feels' the words to songs. She has an appreciation for opera and ballet but does not like **Rap Music.**

I was going to ask her why?.....but thought she might 'rap me one.....?'

Margaret enjoys the songs of **Slim Whitman, Becky Cole, Lee Kernaghan.**

Asked if she played any musical instruments and Margaret replied.....
'The only thing I enjoy playing is the fool!'

Well for being three such interesting people I bestow upon you the honorary title of **'The Three Goodies'**

P.S. Story to be continued

Ma's Country Kitchen

Ma doesn't normally encourage the drinking of alcohol but this is one recipe she uses for the festive season.

Irish Cream

- 1 cup heavy whipping cream
- 1 can sweetened condensed milk
- 1 ^{2/3} cup. Whisky
- 1 tsp. instant coffee
- 2 Tbsp. chocolate syrup
- 1 tsp Vanilla

Put all the ingredients in a blender and mix on high for 30 seconds. Refrigerate. Shake well before serving over ice. Should keep for at least 2 months.

Peanut Butter Bon Bons

- 1 - 1 Lb Box Powdered Sugar
- 2 Cubes Margarine (1 cup)
- 1 Cup Peanut Butter
- Chocolate Chips

Mix all ingredients except chocolate. Shape into round balls. Chill. Insert toothpick & dip into melted chocolate. Chill until set.

Well, that's it. I know the recipes aren't for the health conscious, but it's only once a year. Here's to hoping you have an 'easy does it' Christmas.

**Merry Christmas and
A Happy New Year. Hic!**

Quizzes Competitions & Puzzles

The Mathematics of Age

This is **Country Cool**.....Is our age determined by what we **DRINK?**

This takes less than a minute.....
Have **paper and pencil** at hand to work it out as you read.

Be sure you don't cheat by reading the ending until you've worked it out!

This is not one of those waste of time things, it's fun.

1. First of all, pick the number of times a week you have your favourite drink.....Irish Cream, Milo, Ale, Chardonnay or any other.....**Hic!**

2. Multiply this number by 2 (Just to be honest)

3. Add 5. (for Sunday)

4. Multiply it by 50 I'll wait while you get the calculator.....

5. If you have already had your birthday this year add 1755.... If you haven't, add 1754 ...

6. Now subtract the four-digit year that you were born.

You should have a three-digit number

The first digit of this was your original number (i.e., how many times a week you have your favourite drink).

The next two numbers are

YOUR AGE! ~ (Oh YES, it IS!!!!)

**THIS IS THE ONLY YEAR IT WILL EVER WORK,
SO SPREAD IT AROUND WHILE IT LASTS.
And tell everyone about Gawler Country Music Club
Join up Now.....**
