Editors Note

Hi Folks

Well, yes the Bacardi went to my head and the errors in the January newsletter are evidence of my state of sobriety, (or lack of it.)

Now that we are strictly following our new year's resolutions we can all expect to feel much better for it.

Just like the **Pub with no Beer**, we can survive without the excesses of alcohol, food and cigarettes.... for a short while at least.

Think positive. Self inflicted torture is great for body and soul. Ooh!

Oh... just to give you an update... The multi-gym in our back shed is again covered in cobwebs. Hey! Those spiders sure work fast.

Well it's a new year and I hope it brings good fortune to all club members.

If you wish to become actively involved in assisting the committee to raise funds or to help out in any way, please come forward. We need all the assistance we can get. New ideas are always welcome.

I would like to say a big **personal 'Thank you'** to everyone who has assisted me in my role as newsletter /website editor. I would like to say to all club members and visitors... I have enjoyed meeting you, and chatting about our experiences; and gathering information.

To the committee; George Dobie; my new found friends Brian, Fred, George V and Terry thanks for being you. Also to all visitors to the monthly **Music Workshop in Gawler**, I've enjoyed every minute of your company. It's been a pleasure to share our musical interests.

Les Parris (Editor)

President's Report

February 2006

Dear Members

On behalf of all the committee we would like to wish everyone a Happy New Year.

Well our January show provided a great start to the new year. Eddie Edwards began 2006 with what can be best described as a sparkling performance.

With his group of Friends we were in for a great day. Bill Caines on lead, Irish Dan on Bass, Jimmy on drums and Eddie on lead and vocals. With a line-up like that we were heading for a great day, and what a great day it was. The good old time music had the dance floor full all day.

We also had some good walk-ups starting with Robert James, Steve Tripodi, and everybody's friend Peter Tomlinson.

I would like to thank the committee for catering for the show. The sausage sizzle proved to be a good choice. 'Well done ladies and guys'.

We had some of Amos Morris's CD's available at our club over the last month and unfortunately are sold out. We do however have more on the way.

Amos is a young man who lives in Kempsey and will be appearing at our Slim Dusty Tribute Show in September.

Well onto our next show. We have a great line-up of bands this year with **Wanetta's Country Plus** this month. So be **Warren'd**... great bands mean great country music, don't miss out.

So until next month see you there

Keep It Country
