

Sitting In The Front Seat

Maryke (third from the left) had me climbing up on stage to take a photo of her group.

Sitting with her are Shirley, Lil, Ron, Maureen, Wesley and Sue.

Maryke told me a bit about her interest in Country music.

'My favorite artists are Slim Dusty, Sandra and Crosswind and I also like Eddie and Friends. They are very good.

I enjoy the company of the people I am with and the people I meet. I also visit the Barossa and Parafield Gardens Clubs.'

Maryke loves watching the dancing and walk up artists.

Thanks Maryke for your comments and hope to see you all again.

Walk Right Up

Robert James performed a medley of golden oldies.

Give Robert your support at the **Barossa Weintal Resort Dinner and Dance** on **Saturday 28th January** 7pm to midnight.

Peter Tomlinson sang and played guitar along with **Eddie and Friends**.

Guenter or 'Mr Tambourine' supporting **Eddie and Friends**.

Guenter corrected me by pointing out that it was the **Motor Industry** he had worked in and he also drove taxis. Well done Guenter. (See January's newsletter.)
