## Editors Note

Hi Folks

Well... the effects of alcohol and excess calories are now, for most, slowly diminishing.

The catchphrase **Ho Ho Ho!** is now a pleasant memory, but **Oh Oh Oh!....** what has the **Newsletter Editor** been doing?

Some club members were no doubt be disappointed to find admission to our **January Show** was not **'Free'** as advertised in the **January Newsletter**.

As **Newsletter Editor** I must apologise if this caused any difficulties.

The **'cut and paste'** facility on computer systems was in this case used **'without due care and attention.'**

Yes, I am a human being... who admits... **I make mistakes**, and thanks for your tolerance folks.

I hope you will all agree that **Gawler Country Music Club** does provide a very good service to members and visitors at a pleasingly low cost.

As advertised on page 3 opposite, our **February** show on **Sunday 18th Feb** features **'Us Blokes'** and **Ross Baker**.

Don't miss this show; it is shaping up to be a great day for dancing.

*Les Parris (Editor)*

P.S. The Newsletter Editor apologises in advance for the multitude of errors almost certain to appear in this and all future Newsletters. Hic!

## President's Report

January 2007

**G'Day Members & Friends,**

Well what a fantastic show we had at our first one for **2007**.

**'Eddie & Friends'** was a great choice to begin the new year. With such a large crowd we were all set for a great day.

**Eddie** mixed the music very well with some tunes from way back. (*Ah yes I remember them well...*)

Songs by **Johnny Horton** are not heard much these days, and it was great to hear that type of music again. **Eddie and the boys** performed them well.

Thank **Eddie** for a good day.

Welcome to all new members who have joined us at our January show and at recent events.

Our **February** show is shaping up to be a great show.

**'US BLOKES'** is a new band on the music scene who are doing well with their excellent **Country repertoire**.

So come along and give **'US BLOKES'** your support. You will also have the pleasure of catching up with our buddy, **Ross Baker**.

We have a great line-up of bands for 2007 ready to entertain us.

So until our **February** show

Keep It Country.

*Keith Warren*
