

## That Woz The Day That Woz!

**Eddie and Friends** put on a great show to start off 2007. Their selection of songs had the dance floor full for the whole event.

Each musician played well and the vocals added to an excellent overall sound with **Eddie's** powerful, pitch perfect voice ringing out loud and clear.

Experience shows. The sound of the lead guitar sat neatly where it could be heard; the prominent beat of bass player **Irish Dan** had the dancers bouncing... The drums gave the music the oomph! to keep the dance floor full. Well done guys.

Only one question..... Eddie.... Is that **all** the friends you have?

## Walk Up Artists with Lagerphones

Hey folks, Australian bush bands are coming to town.

Why not tickle the beer tops to the sound of **Country Music**. You'll be on a winner. Thanks to our visiting beer drinker **Daryl**.

Thanks also to walk up artists Steve, George, Peter and Roger. You all gave an excellent performance.

Q. Why are Gawler Country Music Club Memberships renewed in the month of April?

A. The club was officially registered/formed in April. April is the clubs Birthday.
