From the history of Sir Walter Raleigh to the songs and antics of popular child entertainers 'The Wiggles'; the 'Common Potato' has had an incredible effect on the Australian lifestyle.

But the story doesn't end there.....

You know that all potatoes have eyes. Well Mr and Mrs Potato had eyes for each other. They became married and had a little sweet potato whom they named 'Yam'.

Of course the proud parent Potatoes wanted the best for Yam.

When it was time, they told Yam about the facts of life. They warned her against going out and getting half mashed and developing a reputation as a 'Hot Potato' and end up with a bunch of 'Tater Tots'.

Yam said not to worry, no spud would get her into the sack and make a rotten potato of her.

However, on the other hand she wasn't going to stay home and become a couch potato.

Mr and Mrs Potato sent Yam to the Melbourne Potato University so that when she graduated she would be in the chips.

But in spite of the advice she received from her parents, Yam came home one day and announced...

'I am going to marry Eddie McGuire!'

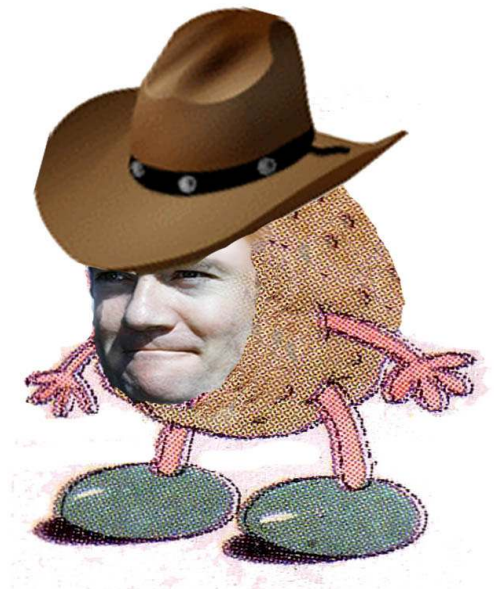

'Eddie McGuire?'

Mr and Mrs Potato were very upset. The told Yam, **'You can't possibly marry Eddie McGuire!'**

'Why,' asked Yam.

'Because he's just a Common Tater!' Oooh!

Thanks to Club Member Ron Cossons of Kadina for his ground breaking article.
