

That Woz The Day That Woz!

Sandra & CrossWind

In amongst the mistletoe and Christmas decorations **Sandra and Crosswind** provided an excellent afternoons entertainment.

Sandra's voice and the music of Crosswind rang bells for dancers and listeners alike. The tight nit; well disciplined band showed a very professional approach to their stage performance.

Thanks for providing a great show to round off what has been an excellent year for our **Gawler Country Music Club**.

Santa

Although he wasn't invited to our show to join in the music and dancing; when **Santa** swished onto the dance floor he attracted everyone's attention.

He gave children loads of lollies before he zoomed off into the sky to visit all the other Country Music Clubs throughout Australia.

'Thanks for calling in Santa. Hope to see you next year.'

Words for Fun

A Gawler Country Music Club member for 12 years, **Bill Northcott** has provided useful clippings for the club's newsletter on a regular basis for quite some time. The words and snippets of information he provides are informative and entertaining.

However, **Bill's way with words** doesn't stop there. His creative imagination has taken him into a new dimension.

At our September **Slim Dusty Tribute Show**, if you remember, each table was decorated with 'confetti' with the names of our Country Artists and Sponsors etc.

Well at the end of the show most of the 'confetti' went into the waste bins, never to be seen again, and some of it went into Bill's pockets. Why?

Bill took the scraps home and he created an attractive collage of memorabilia. The results are a credit to Bill's imagination and to his appreciation for the words and works of the man **Slim Dusty**.

Bill also made a point of showing me his latest purchase.

The plaque he shows here was crafted by Gawler hobbyist wood burning artist **Margaret Burnside**.

Thanks for your **Words of Fun** Bill; we hope to see many more.

Quick as a Flash

There she was dodging between the dancers... Flashing away.

No she wasn't a streaker bearing all; she was attempting to take photographs of the band.

Betty on the right with
Kathy and Bill Armstrong

As a result of our chance meeting Betty insisted I sit down with her.

Wearing a smile; and of course fully clothed, Betty insisted I take a photograph of the group seated at her table. (Also fully clothed.)

As we chatted Bill put pen to paper and scribbled a few words about Betty.

Betty lives in Lewiston and her hobbies are photography, video, traveling around with **Gawler Para Ladies Club** and she is a strong supporter of **Senior Citizens**.

Her family is her first consideration and she loves the company of **Gawler Country Music Club**.

Thanks for the introduction Betty; nice to meet you. I hope you continue with your flashing.

If we read in the local newspaper about the **'Flasher at Gawler Country Music Club,'** we will all know it was you.
