Flickering candles and Christmas celebrations are about to become just memories for **Cat Southern** as she prepares for her trek to **Tamworth**.

Singer/Songwriter **Cat** is all set to shine and sparkle in new lands as festivities of a different nature unfold.

Tamworth is about to erupt as 50,000 Country Music lovers gather there to enjoy the **2007 Tamworth Country Music Festival**.

Originally a resident of **South Australia**, **Cat Southern** is now based on the Gold Coast.

In **2006** Cat's star shone brightly when she was crowned **Toyota Starmaker**... Australia's most significant talent award.

Cat's earlier adventure began in 2005 when she toured with **Brian Young** following in the footsteps of **Beccy Cole & Troy Cassar-Daley**.

The spotlight then focused on the release of her debut EP **So Far**.

It was a big career boost for Cat... Produced by **Herm Kovac** and featuring an A-team of country pickers, it's a real showcase of her talents.

Media have been clambering to get a taste of **Cat**, with appearances on TV, Radio and features in country music magazines etc.

Cat's latest tracks **Last First Kiss** and **Skin Deep** are available on her 'myspace' website.

Cat's future in Country Music is looking very promising, with her contemporary, new and individual style. She is a vibrant performer, recognised for her sizzling and high energy shows and for her ability to capture her audiences.

Cat has a huge fan following, and has performed at many major events including the Adelaide Entertainment Centre, Gympie Muster (Main Stage), Sydney Royal Easter Show (main Arena), Tamworth Country Music Festival, Mud Bulls and Music, Balaklava Cup, Mildura Country Music Festival, Katherine Country Music Muster, and the Caboolture Urban Blaze Concert.

**Cat Southern**

In her modesty Cat has been quoted as saying 'I'd like to do some more writing, but I'm also of the belief that there are so many amazing songwriters out there. Why should I, restrict myself to my rather ordinary songs when there are amazing songs out there?'

Cat developed her passion for Country Music through equestrian pursuits.

"I grew up riding and loving horses. I was show-jumping for several years and I travelled around Australia with the circuit.

I went to agricultural school and became involved with the horse club and cattle club and the sheep club and the chicken club....."

Well Cat... whether it's **The Outback Club** or **Gawler Country Music Club**, I'm sure that you would receive a very warm welcome back here in **South Australia**. Hope you drop in to visit us one of these days soon.
