For those who don't have access to the internet, this is the information displayed on the front page of our Gawler CMC website in November/December 2012. The information is now updated so maybe a screen-shot is appropriate.

2012 has been rounded off nicely with the good news of Kym Wilson winning the 2012 Champion of Champions and Nathaniel O'Brien winning a \$20,000 record deal.

This information on Nathaniel's achievements is provided by his Father...
 'Nathaniel has represented Australia (A first for any junior from SA) in Norfolk Island. He was crowned "Junior Entertainer of the Year" in Tamworth 2012. He was a finalist in the Gold Guitar's in NZ.'

Well done Nathaniel, please keep Gawler CMC informed on your achievements. We are happy to have it included in our newsletter.

Dot's Spot!

Two pieces of string walk into a the bar at Gawler CMC and Bill the bartender looks at them suspiciously.

He says "Sorry, boys, we don't serve your kind here." So the pieces of string walk out again.

They're sitting outside and feeling really thirsty when one piece of string says "Hey! I've got an idea to get me into the bar."

So he starts twisting and turning, wriggling this way and that, pulling out a few threads here and there. His mate's looking at him and thinks he's gone completely nuts.

Then the piece of string walks back into the bar. Bill the bartender looks at him a little suspiciously again and says "Here, you're not a bit of string, are you?"

The piece of string replies
 "No, I'm a frayed knot"

Flight of the Phoenix

Phoenix our local Country Band is retiring after their final appearance at the **Barossa Country Music Club**. They are taking a breather to overcome some personal illness issues, but may return to the music scene again in mid 2013.

We await the rising of **Phoenix** from the legendary ashes.

Thanks **Phoenix** for a great performance recently at our club. Best wishes for the future.
 Thanks also to Guest Artist **Nathan Bruhn**.
