**July 2006
No:158**

Each Saturday night throughout Australia at **10pm to 2am** sleepy eyed country music fans and members of **Gawler Country Music Club** tune their radios into **891 AM** for **Saturday Night Country** with **John Nutting**.

The combination of music, the guest interviews, the selection of tracks and the smooth mellow voice of **Johnno** make late night listening a pleasure.

John Nutting has spent the last 20 years working throughout Australia, playing and promoting the music he loves. **Country Music....**

Born in the seaside town of Margate, England, it was his Uncle who was responsible for John developing his love for country music.

'I was twelve and my Uncle Sid played me Slim Dusty singing A Pub with No Beer.

It was a number one hit in the UK and I played and loved the "b" side "Saddle Boy". I never thought that I would meet and work with Slim all those years later!'

John has extensive experience within the country industry. He was instrumental in introducing Australian country music on **ABC Radio** and is a great promoter of young, upcoming talent.

He has been inducted into the **Australian Country Music Broadcasters Hall of Fame**, for his work supporting country music in Australia. He has also been named the **International Broadcaster of the Year by the Country Music Association of America based in Nashville** and the **Media Achiever of the Year by the Country Music Association of Australia.**

For many years, John has sat on the judging panel of the **Australian Country Music Awards in Tamworth** where he has helped create new stars... and honour older ones. He has been part of the **National Country Music Muster in Gympie, Queensland** and the **ARIA's (Australian Record Industry Association Awards)** along with many other song writing and festival events.

John has travelled to **Nashville** for a number of

John Nutting

years to broadcast **Saturday Night Country** live from the annual extravaganza. He still longs to turn back time so he could meet **Tex Morton, Patsy Cline, Hank Williams and Elvis.**

A 'long time North Queensland resident', John works from the **630 ABC North Queensland** studios based in **Townsville.**

John also hosts **Australian Country Style** on **Radio Australia**, a thirty minute programme heard weekly on the **ABC's International network.**

John is married with two sons, a big white dog, a budgie and lives in an old dairy farm house only 10 minutes from the studio.

On Saturday nights, if you are not quite ready to nod off, tune into **Saturday Night Country** with **John Nutting.**

A nice **warm cup of Milo**, the warm voice of **Johnno**, the songs of **Becky Cole, John Williamson** and co.....

A pleasure to body and soul.....

And if you **do...nod off.....** Listen to it again on the **wwweb.** It's recorded and streamed by abc radio for you to enjoy yet again. http://www.abc.net.au/snc/mod_snc.htm

'Thanks Johnno...' We enjoy your show.
