**'The Adventures of
Superman'**

Is it a bird?

No.....!

Is it a plane?

No.....!

Is it Superman?

No.....!

You may not know it, but this guy does have super human abilities, and he does have expert vision.

Whether or not he has tights, a swirling cloak and a vest with a giant 'S' across the chest.... Who Knows? You'll have to ask him.....!

Yes the character Clark Kent lives in Smallville as an ordinary citizen, rarely receiving a second glance from within his local community.

In the **Brighton suburb of Adelaide** there is a guy just like Clark. He doesn't seek fame or fortune; he just loves doing what he does.

Just like Clark he takes photographs for the news media. He also develops websites and he writes articles for a community newsletter...' No not the **Daily Planet...**' Tut!

He keeps the **Country Music Gig Guide** up to date with what's happening in the **S.A. World of Country Music.**

And yes! O.K. On occasions he does wear a funny hat.

You may have guessed. **Ian Fisk** is that man.....

He works silently behind the scenes... gathering and collating information to present to the populous of **South Australia.**

Ian was born in **Canada** where for a while he was a Radio Operator. In **Australia** he worked as an Electrical Engineer retiring in 1998.

His father was born in Sydney Australia, moved to Canada and married a Canadian girl.

Just to 'balance the books' Ian migrated to Australia (1969) and married an Australian girl! And no... he didn't marry **Lois Lane.**

Ian's hobbies include windsurfing, photography, electronics, amateur radio, genealogy, computing, music (Piano), country and folk music, table tennis, cycling and badminton..... **Whew!**

'Hey Ian what tablets are you taking? Or are you really Clark Kent?'

Since 2002 Ian has looked after the Prostate Cancer Action Group (SA) Inc website. He also manages the **South Australian Council for Country Music Website** and the **Adelaide Country Music Club Website and Newsletter.**

Yes 'The hat' is a giveaway..... **he is a 'greeny'!**

That's beside the point.

Ian may not be Clark Kent but he is a **Super Man.**

'Here's hoping you stay away from the kryptonite Ian.....!'

Or is it Vegemite.....?'
