Yes I/we did receive one this month! Yahoo!

### Mail In

Hello Les,

We have been going to write to you for some time now, Well the time has come. I am a member of your club, but moved back to WA from Adelaide last October. I have been receiving your newsletters since then and really appreciate them and look forward to them. they are always very newsy and have a good laugh in there most times.

We do belong to a country music club over here called "Western Star C.M.C. The club night is every Wednesday night at the Princess Tavern, in Balga They do have some good bands.

Ray and I also go to the Princess Tavern on a Wednesday afternoon, as there is a chap called "Peter Williams," who is a great musician, and he has walk up artists, so we sing there too.

We are pleased to be back in WA but do miss all our friends and the country music over there.

Would it be alright if I send over the ten dollars to reregister so that we can continue to get your lovely newsletters.

We would like to express our thanks to the editor, and committee as they are doing a great job. Keep it up folks. Looking forward to hearing from you soon.

Natalie Sutton.

Hi Natalie and Ray

Thanks for your nice note. It's good to hear from you and it's also good to hear that you are both keeping your vocal chords in action.

Things are much the same around here... nothing has changed except our membership has almost doubled over the past year, so we must be doing something right.

Yes please do continue to register as a member via our PO address. It's great to know that the work that the committee is doing is appreciated.

I'll pass your message on via the Newsletter.....'Letters to the Editor'..... and please keep us informed on what's happening over there.

If **Western Star C.M.C.** wish to communicate with us that would be good too.

I hope you both enjoy your new lifestyle in WA, and please keep in touch.

Best wishes

Les Parris

## THE SILENT TREATMENT

A Gawler man and his wife were having some problems at home and were giving each other the silent treatment. Suddenly, the man realized that the next day, he would need his wife to wake him at 5:00 am for an early morning business flight from the new terminal at **Adelaide Airport.**

Not wanting to be the first to break the silence (and LOSE), he wrote on a piece of paper, "**Please wake me at 5:00 am**" He left it where he knew she would find it.

The next morning the man woke up, only to discover it was 9:00 AM and he had missed his flight. Furious, he was about to go and see why his wife hadn't wakened him, when he noticed a piece of paper by the bed. The paper said. "It is 5:00 AM. Wake up."
