## Editors Note

Hi Folks

What do you think of the hot sticky weather we had in early February?

The **wall mounted cooler** in our lounge has rattled like a steam engine for years now. We have to turn the volume up on the TV to hear the Ten News.

Tina has been twisting my arm to order a 5 outlet air cooling system.....

Does anybody know a good magician, or someone who can perform financial miracles?

Anyway, it's now installed. The next thing we will discover is that we are in for an icy cold spell. But you know me.....I never complain.

**Ha Ha!**

Another big difference I've noticed is that I can now here everything Tina is saying to me.....

.... 'Please bring back the **wall mounted cooler**.....'

**Ouch!**

Hey it's great news to hear that our club membership is on the rise.

For all new members...  
**Welcome Aboard!**

Please contribute to the **Gawler CMC newsletter and website**. They are yours to say what you want; voice your opinion; to tell stories and jokes etc. All contributions will be gratefully received.

Watch out for the flasher.....

## President's Report

February 2006

G'day Members

Well what can I say? Another great show from **Wanetta's Country Plus**.

Wanetta and her talented band kept the large crowd happy for the duration of the show.

I would like to thank all club members and friends for the support you are providing to the committee. Our club membership is growing fast, and it is encouraging to see so many new faces.

The committee is working hard at the moment to raise funds for the **2006 Slim Dusty Tribute Show**, and already we almost have the costs covered.

Well onto March. **Heartland** is a popular band who plays great music.

**Tiffney Stroh** our guest artist is the current **SA and Victoria Junior Champion of Champions**; This young lady has the ability and talent to go a long way in the country music scene. Don't miss this show.

We hope to see you there.

**So until our next show.**

**Keep It Country**

Solution to Hotel

Cantafordya Puzzle on page 5

We need to be careful what we are adding together.

Originally, they paid \$30; they each received back \$1, thus they now have only paid \$27. Of this \$27, \$25 went to the manager for the room and \$2 went to the assistant.

OK Clever Clogs!
