

## That Woz The Day That Woz!

### Wanetta's Country Plus

Wanetta's Country Plus put on a great show with a mix of Country and 60's pop. Wanetta's strong mellow voice and personality were outstanding and pleasing to the crowd. The Guinness swilling leprechaun in the form of **Irish Dan** showed that he is not just a pretty face and talented guitarist, but what a **voice!** The backing musicians showed that they can sing pretty darned well too. After singing **Black Velvet Band**, I must say.... **'Dan's the Man!'** Wanetta's Country Plus...thanks for a great show.

### Spotlight on Tiffney Stroh

Don't miss **Tiffney** when she appears at our next **Gawler Country Music Club Show on Sunday 19<sup>th</sup> March.**

**Get there early.  
She is my tip for the top.**

**Tiffney** performed the opening act for **Mr. James Blundell** when she was only 13 years of age.

She has appeared at many music festivals gaining recognition performing vocals in gospel, country rock and traditional country music.

Last month after performing at various quests at Tamworth she no doubt arrived home feeling exhausted.

Talented Tiffney was awarded the 'Cindy Shelton Memorial Scholarship' providing her with a valuable step towards her career in music. She competed in the 'Hats Off To Tamworth Festival', and bought home the Female vocal, Country rock, Luke Newland Memorial Award.

Her commitment and dedication to developing a career in country music is to be highly commended.

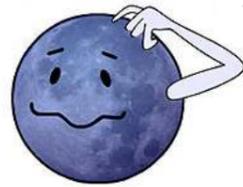

Tiffney is currently working on her first commercial album.

There is no doubt that she is a rising star.

You be the judge...Don't miss her March appearance at Gawler CMC...

### The Letter

Just a line to say I'm still living  
I'm not amongst the dead  
Though I'm getting more forgetful  
and mixed up in my head

I've got used to my arthritis  
and to my dentures I'm now resigned  
I can manage my bi-focals  
but oh God I miss my mind

Sometimes I can't remember  
when standing on the stair  
If I'm going up  
or if I've just come down from there

Before the fridge, so often,  
my head is filled with doubt  
'Now did I put the food away  
or am I here to take it out?

Sometimes when it's dark  
and I've my nightcap on my head  
I don't know if I'm retiring  
or just got out of bed

'If it's not my turn for writing dear,  
I know you'll forgive me, for....  
I may have already written  
and don't want to be a bore'

But as I stand beside the mailbox  
my face is very red  
I didn't mail this off to you,  
I've opened it instead.

## Oh Carol!

You may have noticed **Carol** buzzing around the **Gawler Country Music Club** venue.

She is the better half of the **Brian and Carol Duo.**

Carol keeps herself busy and does a fair bit of work behind the scenes for the club.

Carol also has the reputation as being a bit of a sizzler...!

What I mean... is that Carol on the odd occasion helps out at our sausage sizzle monthly fund raiser.

She is also the main driving force behind the Drinks 'n' Grub snack bar **Carol's Café at Gawler Country Music Club Music Workshop.**

Carol says she is a bit of a home-bird and her favourite country music artists are the late **Slim Dusty, Smoky Dawson, and Ted Egan.**

**'I love meeting new people from other clubs.'**

She visits **Gawler CMC** and the **Barossa Country Music Club.**

Carol finds Country Music followers friendly and she loves the tasty well presented food at **Gawler Country Music Club.**

Well **Carol**, we all know you are a little buzzer.....so be good!
