Editors Note

Hi Folks

This spell of hot weather is taking its toll.

Talk of water rations and building dams to store reservoirs is something we don't think of until it's almost too late.

Like many other things in life... we take our water supply for granted.

Articles on desalinated water and recycling waste water are in the news.

Well folks if you don't like the idea of drinking recycled urine, maybe we need to do more of that energetic rain-dancing.

Bring your brollies and welly boots to the next **Gawler Country Music Club** show..... I'm sure 'The Rustlers' will join in on the action.

Our **Gawler Country Music Club Slim Dusty Tribute DVD's** are selling fast.

This popular DVD is a **must-have** for all **Country Music** Fans.

Club **tee-shirts** are also available, and if you want brilliant **badges** made for your social group, line-dancing club, Grand Children's birthday party.... etc..Have a chat to committee members.

All funds raised will go towards improving our club's facilities.

I hope you all have a great time during the month of March. Make this the month when you encourage your friends and relatives to **join up** with **Gawler Country Music Club**.

President's Report

Feb 2006

G'Day Members & Friends

Well another great show.

With the weather expected to touch 40 degrees we were not expecting a big crowd. How wrong we were, with a great crowd and all ready to have fun.

Our band for February was 'Us **Blokes**' and they didn't disappoint anyone.

From the first strum of the guitar and the first beat of the drum we were in for a great day.

Thanks for a great show guys great stuff.

Our band for **March** is **Gary & The Rustlers**.

Another great show on the way.

I would like to welcome all new members to our club. It seems we are doing the right thing because **our membership is growing every month**.

The **Tiffney Stroh** show on the **31st of March** is a fund-raiser to get **Tiffney to New Zealand**.

Ticket are available at the club \$10 each. So until next month.

Keep It Country.

Printing Predicament

Michael Boyd of **Munno Para Bowling & Recreation Club** saved the day when the photocopier **Gawler Country Music Club...** have access to... began coughing and spluttering.

We all know that our newsletter is pretty cool, but in this instance our **Club Newsletter** appeared to have been **too hot to handle**.

Michael provided some gentle coaxing and encouragement to complete the print-out in the hours approaching our deadline.

Thanks for saving the day Michael; and thanks again to **Munno Para Bowling & Recreation Club** for your ongoing support.

Also to our loyal team of **folders**... Thanks for arriving not just **once**, but **twice**, to provide club members with their monthly **Gawler Country Music Club Newsletters**.
