

Trivia Test

Gawler Country Music Club Reading Test

This is as a test for **Country Music Fans**. It tests mental agility and ability to concentrate.

It doesn't take long.

If you have a clock or watch nearby... you may wish to time yourself.

Take it easy and see if you can read each line aloud without a mistake.

The average person over 50 years of age can't do it!
Good Luck!

1. This is this cat
2. This is is that cat
3. This is how to pat
4. This is to plat
5. This is keep us apart
6. This is an acrobat
7. This is old hat
8. This is fart too smart
9. This is busy chat
10. This is for Pat
11. This is forty that
12. This is seconds chat

Well done!

Once you have completed the test check your time against the timescale in small print at the foot of this column. If you look at the small print before attempting the test you will be disqualified and your test results will be invalidated.

Now go back and read aloud the third word in each line from the top down and I betcha you can't resist telling others about your new title.

I know that you're not really an but it's a bit of fun.
