

That Woz The Day That Woz!

Limestone Country

Lead vocalist **Leanne's** voice stands out as something special... Dancers danced for most of the show and the record for **'the most line dancers on the dance floor at one time'** was broken today...

'Every time that you....Walk in the Room....'
Oh yes that brought back memories. Walk a Country Mile; Leave Him in the Longyard...
Thanks LC for a great show. Thanks also to **Sugar & Spice**. Good luck with your singing career. Your pics are on the website www.gawlercountymusicclub.com.au

Howdy Folks

Well if you're like me the year will be racing by and wish time would slow down. Which makes me think this years A.G.M will be upon us before we know it. So I am asking you to take some time to think about it and try to make yourself available for the meeting. Because we as a committee are only caretakers of the G.C.M.C.

If you don't wish to come on the committee you may have some valuable ideas for the new elected committee to take on board. Remember a good club also needs good members.

I would now like to take the time to thank everybody who got behind Brian and Myself for bringing together a great show at the Gawler Gourmet and Heritage festival.

I will not be shifting furniture again to fit ten people in my lounge room for rehearsal.

THANKS VERY MUCH
P.R Officer

Words for Fun

There is much said in the media about **South Australia's** water supplies; and the pollution of the river Torrens. The song **'Cool Clear Water'** sung by **Marty Robbins** is becoming a **'pipedream**.

This poem, **THE SNOWY RIVER - A LAMENT** shares the concerns about adequate water supplies. It can be listened to on the website printed at the foot of this column.

Philip Reynolds Rush was born in Melbourne in 1939.

Educated at Wesley College, Melbourne; and Toorak Teachers' College. He completed a Bachelor of Education Degree (by correspondence) at Deakin University, Victoria, 1985.

He has a great interest in bushwalking, and natural history.

THE SNOWY RIVER - A LAMENT

When will the mighty Snowy
be a river once again?
For now it's just a trickle, and a
weed-infested drain.
The River's heart is broken, but
it hasn't wept for years,
For there's insufficient water for
the shedding of its tears.
The River's spirit's grieving,
and its soul is in distress,

As its banks grow more extensive and the water flow is less.
If you're camping at McKillop's where the River's inches
deep;

Where the cypress-pines grow sparsely on the hillsides, dry
and steep;

It is grievous to remember the quite fantastic sight
When the massive floods in Springtime showed the Snowy's
awesome might.

When the mountains would be shaken, they'd be shaken to
the core,

By the spate of surging water and the Snowy's fearsome
roar.

When the rocks were tossed like marbles in its ancient river-
bed,

As it gathered all the waters from its mountain watershed.
But now I mourn in sorrow as I've watched the river wane,
When will the mighty Snowy be a river once again?..

How Smart are you?

We all know that the people who visit **Gawler Country Music Club** are quite... I mean *very* smart.

We all know that some folks involved in line dancing are also quite...well... *very* smart.

OK so you can dance.... You are smart.... Well...

How Smart is Your Right Foot?

This is so funny that it will boggle your mind. And you will keep trying at least 50 more times to see if you can outsmart your foot.

I bet you can't!

1. While sitting lift your right foot off the floor and make clockwise circles.

2. Now, while doing this, draw the number "6" in the air with your right hand.

Your foot will change direction. I told you so.....And there's nothing you can do about it.

OK all you super duper line dancers.... If you have mastered the technique...I dare you to give an exhibition at **Gawler Country Music Club's** next show....!!

If you are a Clever Clogs... bring your clogs with you... Clickity Clack!
