

How Clever Are You?

Here are four questions and a bonus question. You have to answer them instantly. You can't take your time, answer all of them immediately.

Ready? GO!!!

First Question:

You are participating in a race. You overtake the second person. What position are you in?

Answer: If you answered that you are first, then you are absolutely wrong! If you overtake the second person and you take his place, you are second!

Try not to screw up next time. Now answer the second question, but don't take as much time as you took for the first question, OK?

Second Question:

If you overtake the last person, then you are...? (scroll down)

Answer: If you answered that you are second to last, then you are wrong again. Tell me, how can you overtake the LAST Person?

You're not very good at this, are you?

Third Question:

Very tricky arithmetic! Note: This must be done in your head only
Do NOT use paper and pencil or a calculator. Try it.

Take 1000 and add 40 to it. Now add another 1000. Now add 30

Add another 1000. Now add 20. Now add another 1000 Now add 10. What is the total?

Scroll down for answer.....

Did you get 5000?

The correct answer is actually 4100.

If you don't believe it, check it with a calculator! Today is definitely not your day, is it? Maybe you'll get the last question right....

Fourth Question:

Mary's father has five daughters: 1. Nana, 2. Nene, 3. Nini, 4. Nono. What is the name of the fifth daughter?

Okay, now the bonus round:

A mute person goes into a shop and wants to buy a toothbrush. By imitating the action of brushing his teeth he successfully expresses himself to the shopkeeper and! the purchase is done.

Next, a blind man comes into the shop who wants to buy a pair of sunglasses; how does HE indicate what he wants?

He just has to open his mouth and ask...

It's really very simple.....

Just a Thought From Bill Northcott!

Good looks catch the eye but a good personality catches the heart.

Bill Says

You Know You Are In Sydney, when....

You make over \$100,000 p.a. and still can't afford a house.

You take a bus and are shocked at 2 people carrying on a conversation in English.

You never bother looking at the train schedule because you know the drivers have never seen it.

A really great parking space can move you to tears.

Your child's 3rd grade teacher has two pierced ears, a nose ring and is named "Breeze." And, after telling that to a friend, they still need to ask if the teacher is male or female.

Your hairdresser is straight, your plumber is gay and your Avon Lady is a guy in drag.
