Editors Note

Hi Folks

It doesn't seem such a long time since we spoke about keeping warm during the cold season.

Well... what do you think of this early spell of **hhhhhot** weather?

We hear people say **'What a lovely day!'** and yes... warm weather is great for family fun... but too much of anything is not good for anyone.

Throughout **South Australia** most of us welcome days of pleasant sunshine; but... dehydration, sunburn, sunstroke, burnt crops, dying livestock and bush fires... **No thank you!**

Farmers, Firemen and householders lose their lives each year. Businesses and livelihoods are knocked back a lifetime.

Lately I have been looking at the words of a song written by **Beatle John Lennon (1972)**. **'Imagine'**. You'll most likely have heard it.

'You may say that I'm a dreamer....'

But **Imagine** if there's... **'No Water...'**

Frightening thought.....

We could campaign to encourage our politicians to invest more in solving our **South Australian** water shortage problems.

At the next **Gawler Country Music Show** we could all get up onto the parquet dance floor to do a **Running Bear Rain Dance....Yes... 'Imagine...'**

There's something for sure. We should all **use water wisely** and don't forget to... **Slip, Slap Slop!**

President's Report

October 2006

G'day Members and Friends.

Well another show has gone by and **Marie & Deep River** were superb. For a band that has been together for only eight months they played some great music.

Our **Slim Dusty Show** was another great show. We have posted off a cheque for \$2500.00 to the **Slim Dusty Foundation**.

We are about to restart our fundraising at **Speedway City** to prepare for next years **Tribute Show**. We need additional volunteers to help us at **Speedway City**; it's not hard work, so if you are willing to help out please give me a call.

Well our next show should be great. We have **Big Dean'o and Just Passin'** for our **Cabaret on Saturday night 7.30 to 11.30pm** and they are performing again on **Sunday** for our monthly club-show **12 Noon to 4pm**.

So until next month. **Keep It Country.**

Radio Rob Says Hi!

Rob Edwards of Triple Bfm 89.1 and his assistant **Lyn** called in to **Gawler Country Music Club** to say Hi!

Rob hosts 'Prime Time Country' on Monday nights.

Rob explained how **Lyn**; his 'right arm' for the past 6 years, takes around 60 phone calls during each show.

The good news is that due to popularity and public demand **'Prime Time Country'** has been extended from 2 to 4 hours. **Put this in your diary folks... Monday Nights 6pm to 10pm.**

Lyn will take your calls and song requests from 6pm to 9pm and she can be contacted by phone on **8563 3788**

Although he didn't say it, Rob has participated in some good work in supporting charities in the past and he has also assisted **Gawler Country Music Club** in promoting country music. **Be bold... give Lyn and Rob a call** to request a song. They will be pleased to hear from you. And of course..... tell them that you are a member of**Gawler Country Music Club.**
