Editors Note

Hi Folks

This newsletter reflects upon the events of **September 2006**.

It has been a month of mixed emotions in many ways.

I think most of us are aware that putting on a show such as the **Slim Dusty Tribute Show** is no easy task.

As an echo from the front page... Credit must go to **Helen and Keith** for their efforts... and to the motivated committee members who gave their all to make this show a success.

From the catering staff to those who donated prizes; from the stapling of raffle tickets to the stacking away of well used chairs and tables, from the before to the after.... You all did us proud. **Thank You!** Also thanks in anticipation to **George Dobie** when, all being well, he puts the video of the **Slim Dusty Tribute Show... 'On the Record'**.

We all know that **Gawler Country Music Club** is continually attracting new members and there may come a time when this newsletter will become **so thick** that it won't fit into your letter box.

So I am asking all club members now to prepare in advance....

Get a **bigger mail box**....

And if you are wondering how **Bill Northcott's** frog is getting on, she may be contacted by hopping along to **billsplace @ the.bigpond.com.au**.

President's Report

September 2006

G'day Members and Friends

Well the **Slim Dusty Tribute Show** went off very well. We had some complaints that not all songs performed were **Slim Dusty** songs.

I agree if it's a tribute to the great man, it should be his music played.

Let's move onto the artists. What a fantastic job they all did.

People couldn't get over how talented **Amos Morris** is for his age. While he sang we could have heard a pin drop.

Our good mate **Slim Connor** had the audience totally under his influence.

When **Tracy Coster** came on... hey! Didn't she lift the tempo?

Tom Maxwell performed at his usual high standard with his great songs and impressive voice.

Greg Semmler our local hero started and finished the show... Well done Greg...

Greg released his first CD which he produced himself. Well done Greg. We hope it goes well for you. Greg's CDs will be available at our future club shows

Well we now have a problem. Where do we go from here? How do we better this show? We have already put the wheels in motion for the next year, but more on that later.

In October we have **Marie Robinson and the Deep River Band**. They are now in great demand; it just shows a lot of hard work does pay off.

Until next month's show. Keep It Country.
