

# WANTED

'News, Gossip and Your Say' for *your* newsletter. Regular contributions, stories and suggestions are always welcome.

## Our Own Stories

Hi Folks!

Thanks to committee member **Josie Evans** for providing 'the story' for this month's newsletter.

Well folks, did you guess correctly? Whose face appears on page 5?

The stunning celebrity photograph on page 5..... is Josie.

I interviewed Josie to find out a little more about her interest in Country Music.

### How long have you been interested in Country Music Josie?

Since the age of 12 I developed an interest in Country music. It has helped me to meet people and to rebuild my self-confidence after having experienced a devastating accident at a young age.

I have found that Country Music fans are generally trustworthy and sociable people, and most of my friends are either involved in; or followers of country music.

### Who are your favourite entertainers?

Well, my favourite singers are local singer Sandra Humphries, and I really like Merle Haggard, Waylon Jennings and Shania Twain.

### What else can you tell me about yourself?

My favourite flower is the rose and I love horses.

### Tell me a bit more about your interest in Country Music.....

I have met loads of Country Music Stars including **Slim Dusty**.

As I think I said earlier, I have mixed with country music people since childhood and feel secure in their company.

### \*NEXT MONTH

### Flo Thompson's Stories

I've travelled to Country Music Festivals at Tamworth, Mildura and Port Pirie.

I am also proud to know personally **Alan Caswell** who wrote the theme music for the TV series 'Prisoner'.

I have a photo album which includes photos of many of the artists I've met over the years.

Josie's son James Evans receiving Slim Dusty's autograph.

Thanks Josie for providing an insight into your love for Country Music.

Based on positive feedback from Club **President Keith Warren**, and on behalf of everyone at **Gawler Country Music Club**, I wish to thank you for the hours of work and assistance you have provided to the Gawler Country Music Club over the years.

### Oh just one final question? Can you sing?

Sharon & Scotty  
For your efficiency and hard work at the  
Slim Dusty Tribute Show  
Thanks!

Well Done!

Do I get a free tub of hot chips now?

## Ma's Country Kitchen Quizzes Competitions & Puzzles

OK guys. When the warm weather comes in and the caravans and tents come out.... Give Ma and your family a treat. Nothing fancy..... Don't want to spoil them..... Splash out with Damper coated with care, affection and sentimentality. They'll either love it or hate it!

### Aussie Damper

2 cups self raising flour,  
1/2tsp salt,  
1 1/2 cups milk,  
1tsp sugar,  
1tsp butter.

Note: Add cheese for extra taste

### Method:

Sift the flour, sugar and salt into a bowl and then add the butter, (and cheese) add enough milk to make manageable dough. Shape into a flat ball and place on a greased and floured oven tray, (or try it baked in the ground.)bake at 220c (400f) for 25-30 mins, baste with milk during cooking.

Serve hot...with lashings of butter

(Golden syrup and jam, go very well with plain damper)

### Give me some 'feedback!

Note: I will not be held responsible for any domestic disputes.

'How did you do!' with last month's brain teaser? Did it drive you crazy? The agony is over; here is the solution.

## Talkin' 'bout 'Crazy'

Patsy Cline sang the song 'Crazy' making it a worldwide hit? And Willie Nelson wrote it.

Thanks Joyce Barnard (See Page 11)

## Appearing at Gawler Country Music Club Soon

♪ Have you ever had the feeling you've met someone before?

Have you ever looked at a photograph of a well known celebrity and thought doesn't she look like.....

If you are a Country Music follower you may recognize this face.

Do you know her name?

What well known country song does she sing?

Answer on page 8.

## Tribute Show Video Production:

George Dobie provided the brains, the video camera, the microphones and bits of string to construct the remote control filming system hanging from the ceiling. (No he's not an ape.....)

Anyone wishing to construct a spaceship should contact George for advice at Munno Para Bowling club.

Do not 'phone his home' (ET), because Kay says he is never there.

George and Brian Twiddling the Knobs
