

# That Woz the Day That Woz!

20<sup>th</sup> September 2009

Pic below from [www.smh.com.au](http://www.smh.com.au)

Memorial A4 colour prints are available of the pic on the front page at the price of \$10.00 each.

Profits going to the Slim Dusty Foundation.

Those who came to the Slim Dusty Tribute Show are sure to have

enjoyed themselves.

The committee worked constantly for the whole day. Oodles of delicious fish & chips were consumed and washed down with coke or a cup of tea.

Did you see the cars and caravan **Ian List** had on display? **Vince Pollard** also had his **Slim Dusty** car with him.

The entertainment was so good ... **Ian List** and **Sidekicks** were great.

Then **Ian** and **Olive Bice** sang together in remembrance of **Slim Dusty**. **Olive** then sang on her own. It is good to have a lady singing on the show.

**Greg Semmler** sang on his own and then with **Ian**. **Greg** was not feeling well but did a great job considering.

**Cactus Marten...** what a good voice... That's the first time I have heard him sing. **David Croser** also did a good job.

**Keith** sang a couple of songs. He should sing more often.

A young girl enjoyed herself by drawing pictures of **Ian List** and other people and their instruments.

The **Slim Dusty Foundation** donated a **Slim Dusty Book**, **cap** and **shirt** which we put into the raffle for first prize.

Thanks must go to **Bluedog Clothing** and **Steinborner Holden** and **David Williams** for their support. A big thank you to all the people who donated prizes for our raffle.

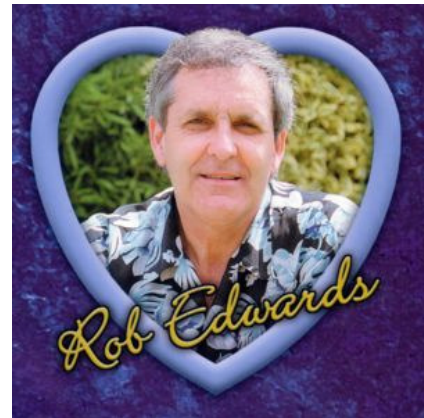

How can we beat this wonderful day of entertainment? We will try....

Kind regards to all

Helen Warren (Secretary)

# Rob Edwards by Leoni Boyanton

I have been hearing for some months now, since I have been rocking around the Barossa area, what a wonderful support Rob Edwards is to the Murray Bridge, Barossa, Gawler and more recently, Willaston Country Music Clubs.

2003. He has performed on the TV "Adelaide Tonight" show twice and performed regularly around the Adelaide circuit.

In 1975 Rob moved to the Barossa area and became the lead singer for "The Wanderers". Rob has performed as the Opening Artist for household names such as Jerry Gibson, Ernie Sigley, Frankie Davidson, Gerry Hanlon, and Johnny Mac, to name some of them, so this gives you an insight to his wonderful talent.

Rob often is asked to MC shows as another notch to his belt, with his wonderful sense of humour shining through.

Rob's long time ambition to record an album was realized and he has gone on to record a following 2 albums. They are all called, "Follow this Heart".

Rob is an avid supporter of Independent Artists, and promotes them on his **BBB FM 89.1 request program Monday nights from 6.00p, -10.00pm.**

"Prime Time Country" is a very popular program, and gathering more listeners as time goes by. Rob said listeners have told him they have installed big antennas so they can pick up his show.

I have spent an evening in the studio with Rob and his lovely wife Lyn, takes the requests, and finds them for Rob.

This was very interesting to me, and now realize it is harder to do a request program, than a pre-planned one, as it falls into place as the program goes along. I was worn out watching Lyn dashing about ever so efficiently.

Several people phoned in for Rob's own songs as well. This was the first time to hear him sing, and what a treat it was, I love his voice.

**Anna Briggs and Dean Smith** are getting married during **Murray Bridge CMC's September show.** All hush hush for now!!!

## Rodney Vincent

by Leoni Boyanton

Barossa Area Fundraising for Cancer put on some fantastic shows, and this was yet another one of them. Rodney Vincent is a wonderful talent whose performances I always enjoy. He has personality plus, a lovely voice, performs songs of old and new and mixes his show with great comedy that I love.

His "Music and Memories" comes in a double pack, CD and bonus DVD and is very entertaining with a good blend of comedy and beautiful songs recorded from TV shows and live concerts down over the years of his career.

Rodney is a not to be missed Artist, and if you have not seen him, you have missed a great show.
