## Les's Clean Sweep!

Another month slips by and it's almost time for many to begin looking for Christmas pressies. I'm not sure if this statement is politically correct, but it's a fact.

I have to tell you about something crazy I experienced recently.

Have you ever felt silly?

Well Monday mornings I vacuum clean our whole house, and to make it a more pleasant experience I usually put on my MP3 player, headphones and Country Music to drown out the monotonous droning sound of the noisy vacuum cleaner.

Halfway through my mammoth task **Tina** was trying to tell me something...so I dropped my headphones and switched off the noisy vacuum cleaner. She said her piece and I put my headphones on again and continued with the motions of vacuuming.

I was listening to the loud music so intensely; and the vacuuming was going like a breeze. After a few minutes had passed, **Tina** appeared to be *screaming* at me! I thought 'What Now!'

Off with the ear phones again.....

*'You haven't switched the vacuum cleaner on!'*

Oh Oh! Silly me!... I was busy vacuum cleaning with the machine switched off!

Laugh! I've never laughed so much for ages...

Have you had a good laugh lately?

Oh! Before I sign off...

## President's Report

September 2011

G'Day Members & Friends.

Well we are another month closer to Christmas; isn't the time flying by.

Our September **Slim Dusty Tribute Show** was a great success with good strong support from our members & friends. **Heartland**, the band were tremendous, putting in the extra effort to learn more **Slim** songs. Our guest artists, also did an excellent job... **Mitchell Shadlow, Keith Jamieson & Alisha Smith.** These artist's, whom I have never seen before, were recommended by our club members and friends. Last but not least was our very own star **Tracey Stewart** who brought along some very special little people, (her Children) who also did a fantastic job. Well done to you all. As this was our **final Tribute Show** we are now moving in a different direction, raising funds to support our young local artists. So keep an eye on our newsletter as more information becomes available. Moving on; **October** is all set to be a great show with **Charlie McCracken and his Band.** So come along and join us.

Until then.  
Keep It Country

What do a vacuum cleaner and an electric guitar have in common? Both suck when you plug them in.

That is...if you have them switched on!
