Editors Note

Hi Folks

Another month has passed, we've had rain, the Adelaide Crows are on a winning streak, and Gawler Country Music Club has some more great events lined up for you. What more can you ask for?

August at the Music Workshop was again a great success. Fred and Brian are organising a huge list of country music numbers for participants so the workshop keeps on track with its focus on Country.

I've had some input from club members on material for the Newsletter. That's great. Please give me all you have. Jokes, poems, stories, recipes, odds and sods are all welcome.

Advertisements and sponsorships will help the club to flourish. Spread the word around. Gawler Country Music Club is about to introduce some classy acts and your support is essential for future success.

The Slim Dusty Tribute Show is just around the corner. Make sure you have your tickets as this is likely to be a sell out. 'If you aint got a ticket you may not get in!'

Let me know if you have any information to include in next months newsletter.

You may see me running about with a camera and a serious look on my face..... Say Hi and have a chat, I'd like to get to know you all.

See you soon.
