Lee Kernaghan

The New Bush

In the early nineties, Lee Kernaghan created a new musical landscape. He did to country music in Australia what **Garth Brooks did in the USA** and along the way he sold almost one million albums, won 20 Golden Guitars, 3 ARIA Awards, had over 20 top ten hits, 17 number 1's and 8 hit albums.

Now with the release of his Ninth album "**The New Bush**", he's done it again and his stellar career continues. **Lee Kernaghan** has always had his finger on the pulse. He grew up in the bush and he knows how hard it can be.

"**The New Bush**" is about what's going on in the Country right now. It's a new sonic landscape for Lee and it breathes freshness into his music. It's to the point lyrically; it's rootsy in a modern way and kind of more country... not to say it doesn't rock! There is new optimism in the bush. "**The New Bush**" is a stunning album that challenges what went before for Lee.

Let the revolution begin.
