## Editors Note

### Hi Folks

This newsletter was developed in quick time... 'cause things have been a bit hectic lately. Too much to do... not enough hours in the day.

But that's history.

The AGM was well attended this year and it's good to see old and new faces.

Have you ever been in a situation where you have to do something fast, but don't know where to start?

Some people spend so much time thinking about what to do....and by then it's too late.

Some leave everything for other people to do..... Easy way out.

Then there's the people who do very little and criticise others when things go wrong.....!

Well there is another way..... Tell a joke!

'The **Craigmore** girl was utterly gorgeous, yet terribly self-conscious about the fact that she had one false eye made of wood. Indeed, a wooden eye!

She was perched up on a bar stool, beautiful legs crossed seductively, when this bloke got up on the stool next to her. She simpered at him, and he offered to buy her a drink, which she accepted. One thing led to another, until she asked him, "Would you like to come home with me and spend the night?"

He said, "Would I?"

He didn't know what hit him!

Sh.. got it wrong again.

## President's Report

### August 2006

G'day Members and Friends

Well our August show started with the AGM. I would like to thank all the members who attended.

The present committee was re-elected into the positions held by them. We also have one new committee member, **Terry Sheehan**. Welcome aboard Terry.

Well onto our show, **Honni Phillips and Courthouse Connection** gave us a good mix of Country & Country Rock music, and the dance floor was busy all day. Thanks Honni.

Our attendances have been great this year with our smallest crowd being 126 and our biggest 236 people.

I would like to thank everyone for supporting our club over the past year, because without you we don't have a club.

Well onto the big one, the **Slim Dusty Show**. Everything is going as planned. We hope to have everything set up early so we don't keep you all waiting.

The door should be opened by 10am. We should have all the tickets sold by the time this newsletter reaches you, So until the Tribute Show..... See you there!

**Keep It Country.**

## Hello Dolly

Are you using your magnetism to attract Aussie artists to the USA?

Singing actress **Dolly Parton** celebrated her 60th birthday early this year by joining Australasian superstar **Keith Urban** as ambassadors for Tennessee.

Dolly is the fourth of 12 Parton children, was born at Locust Ridge near Sevierville in the Smoky Mountains.

Dolly teamed up with Keith Urban... (Who is now enjoying marriage in Tennessee with Nicole)... on Johnny Mathis hit *Twelfth of Never* on her 2005 duets disc 'Those Were The Days.'

Fellow expatriate **Catherine Britt**, appearing in the Sydney Johnny Cash tribute show *Walk The Line* also appeared in a Country Radio Broadcasters celebration of Dolly in Nashville.

Catherine Britt opened the Parton segment with *To Daddy* - the Parton composition that became a 1977-78 hit for Emmylou Harris.

## BILL CHAMBERS

Bill Chambers and his hot band performed at the Australian Nashville invasion. They played their version of Randy Newman classic *Rider In The Rain*

The song is from Chambers second solo album **Frozen Ground**, produced by his son Nash.

Joe Ely and Reckless Kelly, the Texan band who took its name from famed Australian bush ranger Ned Kelly, also perform the song on tribute disc *Sail Away - The Songs Of Randy Newman* (Sugar Hill-Shock.)
