

## 'Country OzStar'

The American TV program 'Nashville Star' is what "American Idol" is for would-be pop stars.

The 'Nashville Star' talent contest takes 'Country Music' singers from across the USA and brings them together to perform for a group of judges.

Audience voting determines who moves on and who goes home, with the winner receiving a recording contract.

'Now that's how you make porridge!'

**Billy Ray Cyrus** -- Singer and USA 'Dancing with the Stars' contestant will become the show's new host.

Would this TV show catch on in **Australia**?

You can bet your **Ozzy Scoot'n Cowboy Bootz** it would!

C'mon folks rattle those bones, beat your drums and have your say.

Whether it's out bush or in the cities **Australia** can put on a good 'Country' show.

## A Test of Friendship

A dog is truly a **man's best friend**.

If you don't believe it, just try this experiment.

Put your dog and your wife in the boot of the car for an hour.

When you open the boot, who is really happy to see you!?

Ouch! (Submitted by Errol .who wishes to remain anonymous)

## Aussie Advice From Bill Northcott!

Bill gives advice to immigrants on  
'How to become an Aussie!'

Warning: If you don't have a sense of humour, do not read.

A **Chinese** man decides to move to **Australia** after 50 years of living in **Shanghai**. He buys a small piece of land near to **Mt Barker**.

A few days after moving in, a friendly **Aussie man** decides to go and welcome his new neighbour. He goes round but on his way up the drive-way he sees the **Chinese man** running around his front yard chasing **10 hens**.

Not wanting to interrupt "**Chinese customs**", he decides to put the welcome on hold for the day.

The next day, he decides to try again, but just as he is about to knock on the front door, he looks through the window and sees the **Chinese man** urinate into a glass and then drink it.

Not wanting to interrupt another "**Chinese custom**", he decides to put the welcome on hold for yet another day.

A day later he decides to give it one last go, but on his way next door, he sees the **Chinese man** leading a bull down the drive-way, pause, and then put his head next to the bull's bum.

The **Aussie bloke** can't handle this, so he goes up to the **Chinese man** and says "**Jeez Mate, what the hell is it with your Chinese customs?**"

I come over to welcome you to the neighbourhood, and see you running around the yard after hens. The next day you are pissing in a glass, and drinking it, and then today you have your head so close to that bull's bum, it could just about shit on you."

The **Chinese man** is very taken aback and says "**Sorry sir, you no understand! These no Chinese customs I doing, these Australian Customs.**"

"**What do you mean mate**" says the **Aussie**, "Those aren't **Australian customs.**"

"Yes they are....  
Man at **Gawler Country Music Club**... **Bill Northcott** tell me" replied the **Chinese man**...

"He say to become **true Australian**, I learn chase chicks, drink piss, and listen to bull-shit".
