## President's Report

### March 2008

G'day Members & Friends.

Our March show was another good day. Not our usual full capacity crowd, but we all had a good time.

The band **Tumbling Dice** were great, playing a good mix of old and new country music which kept the dance floor very busy.

Our guest artist was **Graeme Clarke** from **Kadina**. He was great, playing much of his own material.

Our walk up's were **Roger Howard** & **Steve Tripodi** who also did us proud.

Well onto our **April** show.

**Bernie & the Bandits** with Special Guest **Graeme Hugo**.

What a show this is going to be.

First in best seated.

So until then...

Keep It Country...

## Smiling is Infectious

You catch it like the flu  
When someone smiled at me today  
I started smiling too  
I walked around the corner  
And someone saw me grin  
When he smiled I realised  
I had passed it on to him  
I thought about the smile  
And then realised its worth  
A single smile like mine  
Could travel round the earth  
So if you feel a smile begin  
Don't leave it undetected  
Start an epidemic  
And get the world infected.
