

## That Woz the Day That Woz!

16th March 2008

'Tumbling Dice' proved to be very popular with good vocal harmonies and well balanced sound system.

A mix of good 'Country Oldies' had the dance floor bouncing in time with our regular Line Dancers and Shindiggers.

As his confidence grows Roger Howard is certainly thriving on his favourite Slim Dusty songs.

Steve Tripodi is regaining his youthful voice... Stay off the cigs Steve.

Well done guys!

### Gawler Country Music Club Fitness Classes

If you don't want to be like Jack and Jill, please do NOT jog up the hill! Cos excessive exercise can .....make you very ..... ill.

Instead, why not have a dance, a drink or a meal at Gawler Country Music Club. Enjoy!

## Jolly Wally Awards

Early Saturday morning Country Breccy Radio Host Wally Sparrow has this year presented his two annual Wally Awards.... Best New Talent in Tamworth went to Harmony James from Tennant Creek, NT.

Important Note: The pic on the left is NOT Harmony James.

The second award for the Best Live Act in Tamworth went to Jetty Road from Ringwood, Vic.

The benefits of the award include publicity and promotion in South Australia.

Last year's winners were Markus Meier and Lee Kernaghan.

## Aunty Kay Has Her Say

### How To (nicely) Get A Man To Do Something...

'Always remember these six important rules when asking a man to do something:'

1. Make sure the man is conscious.
2. Crash the hard drive on his computer and line the bird cage with the sports section.
3. Be brief! Limit your nagging lecture to two, three hours, max.
4. Reward him for cooperative behaviour. i.e. Offer to cook him something that doesn't have a peel-back cover.
5. Punish him when he refuses to cooperate. Microwave his remote control on high power for 55 minutes. Rotate 1/4 turn, and microwave again for another 35 minutes.
6. Use "would you" or "will you" instead of "you'd better" or "do as I say and no one will get hurt."

Additional suggestions will be gratefully received!
