

Robin 'BirthdayBoy' Ellbourn

Hey Tiffney and Candy! Look at all those people!
Why are they here?

I think its maybe because you invited them Robin.

Oh! Did I? What's the big occasion?

It's your Birthday!

Oh Yes! I have had many birthdays in my time. I remember the first one.... But that was a long time ago!

I know I'm getting older 'cos by the time I light the last candle on my birthday cake, the first one has burned out.

Hey Candy ... What did the birthday balloon say to the pin?..... "Hi, Buster."

Boo.....!

I'd better 'pop' along and have a photo taken with my family.

OK everyone make room for me and my balloon.

"Hi Robin! We're the Three Buskateers. We heard your havin' a party. Just called in to say Howdy!"

Gawler CMC hope you had a good Birthday Robin.

We won't tell anyone how young you really are...

Have a look at the websites of Tiffney and Candy.

Robin has been an active club member serving on our Committee. It's always good to see you and Judy at the club!

Maybe nothing to do with your birthday Robin... but did you know the first couple to be shown in bed together on prime time TV were Fred and Wilma Flintstone.

Just a Thought From Bill Northcott!

From a passenger cruise ship, everyone can see a bearded man on a small island who is shouting and desperately waving his hands.

"Who is it?" a passenger asks the captain.

The cruise ship captain replied,

"I've no idea. Every year when we pass here, he goes nuts."

The track 'Over 40' is a bute! Highly recommended.
